DEAR PARENTS, STAFF, STUDENTS AND FRIENDS

MESSAGE FROM THE PRINCIPAL

State Athletics
Congratulations to Deb Anderson and her team of dedicated students who, once again, won the State Athletics, making it 16 years in a row! Special mention also goes to Chloe Edwards, Mal Burt and Casey Holmes, who were instrumental in the great success of this team. There is always a great feel amongst the students and teachers; it is clear they work closely together as a team, giving each other lots of support. This includes students who don’t make it to State but continue to support the team. Almost all of our students exceeded their personal bests, and many of our Year 12s had stand-out performances. Well done to all of you!!!

Valedictory Dinner
Friday night was an excellent celebration of six years of secondary schooling for our current Year 12s. It was wonderful to celebrate the conclusion of their secondary schooling with them; we have watched most of them grow up as they progressed from Year 7 to Year 12. The evening was beautifully organised by Sarah Toovey with help from Maree Granger, Ellen D’Ambra, Con Neratzoglou and Clare Challenger. Helen Wilson gave a very inspirational speech at the close of the evening which was followed by Anne Griffith’s fabulous video. There was a surprise ending to the night when Toni Rolleston of Year 12 sang a beautiful rendition of “At Last”. We wish our Year 12s all the best with their exams and very happy, successful futures.

Year 12 Teachers
We are very fortunate to have such excellent teachers in all year levels at Frankston High School. I do want to thank the Year 12 teachers particularly for their hard work in preparing our Year 12s for their exams. We really appreciate their dedication in providing revision lessons and extra classes to ensure that the students are as well prepared as possible.

Year 10 Formal
The Year 10 Formal was huge success! The students all looked stunning in their formal attire. The theme was 1920’s Art Deco and the decorations were amazing! The Formal Committee, with great assistance from Kerryn Elrick and Adrienne Sheppard, did a fabulous job. It was a night to remember! Thank you to George Jolly, Holly Lee and Lorelle Molloy who also assisted, and the many teachers who attended on the night.

Chaplaincy Program
We are currently organising our annual review of the Chaplaincy Program at Frankston High School. This will focus particularly on The National School Chaplaincy and Student Welfare Program financed by the Federal Government. The position that our Chaplain, Linda Hughes, holds is funded from Commonwealth NSCPWP money. The money for our other Chaplain, Matt Parker, is raised by members of the Chaplaincy Committee. We are exceptionally pleased with the great work done by Matt Parker and Linda Hughes. If you would like to participate in this review, you are most welcome to attend the School Council Meeting on Tuesday, 20 November 2012, at 7:30pm in the Conference Room where the program will be discussed. If you are intending to attend, please contact Susan McKercher on 9784 9013 or smckercher@fhs.vic.edu.au

We are very grateful to the Frankston City Council for their donation of $1,000 towards the Chaplaincy Breakfast Club on the 7 – 10 Campus and to NAFDA (National Australian Foodservice Distribution Association) for a $1,000 Grant for the Chaplaincy Breakfast Club on the Senior Campus.
Grade 6 Testing
The process of testing all of our Year 7 students for 2013 has been completed. It is a huge undertaking but it provides us with excellent information which allows us to support students more successfully from the beginning of the school year. Thank you to Marie Farrell who organised the testing dates and supervised all of the sessions, and to Mardi Shepherd, Paul Don, Angela Joosse, Liz Wills, Deb Bretherton, Helen Page and Kate Taylor, who either helped supervise this weekend or will be supervising in the future. We anticipate a very smooth start to high school for our 2013 Year 7s.

Grade 6 Tablet Information Night
Our annual Tablet Information Night was a huge success as was demonstrated the following morning with the large number of parents waiting to pay deposits for the program. Greg Heale did an excellent job organising the night. Year 7 students were involved throughout the evening: they emceed the night, presented their experiences in the program this year and gave demonstrations of various software programs we use. The new computer for 2013 looks amazing and should be an excellent learning tool for students and teachers.

CALCULATORS FOR 2013
Andrew Watson - Maths Co-ordinator
As in previous years, all students enrolled in any Maths subject at Years 10-12 (including Year 9 Accelerated Maths) are expected to have a TI-nSpire CAS calculator. The only exception to this is Year 11 Units 1 & 2 Foundation Mathematics. These calculators are unfortunately an expensive item but are used across all schools in Victoria at these higher levels of Mathematics.

The school has negotiated a deal with a company called “The Organiser and Calculator King” to supply these calculators to our students at a discounted price of $185. This represents a saving of $50 from the price charged by some retail outlets. An added benefit has been the ability for students to return the calculators directly to the school for repair/replacement under the 3 year warranty offer.

A representative will be at school at lunchtime on Thursday, 29 November to distribute calculators which can be pre-ordered by credit card, or paid for on the day by cash or cheque. All Year 9 students have been given a form detailing this arrangement but if you do not have this form, please contact me at awatson@fhs.vic.edu.au and I will email the form directly to you.

This offer may also be of interest if your son/daughter is in Years 11 or 12 next year and does not have the appropriate calculator.

SENIOR CAMPUS NEWS
Ms Helen Wilson
Senior Campus Principal

Official classes for our Year 12 students concluded on Friday, 26 October. Our Year 12 Class of 2012 can be proud of their work and achievements. We have seen this group of students achieve excellent results in academic performance, work practices, extra-curricular activities, as well as provide leadership in student activities, sport, music and community involvement.

The VCAA examination period commenced on Thursday, 1 November and will conclude on Wednesday, 22 November. Our exam supervisors have commented that this year’s students have been the best they have supervised over the years. Congratulations to all Year 12 students on the perfect start to their exams.

I am sure this is due in part to the practice exams held over the September holidays and the high expectations communicated by Year 12 teachers. It has been very pleasing to see the high number of students who have been at school meeting with their teachers, attending revision lectures and completing practice exam papers. Thank you to the Year 12 teachers who give freely of their time and work diligently in assisting students, marking practice exams and holding revision lectures to help prepare them thoroughly for these exams.

Senior students are encouraged to put in their optimal effort and see their teachers for additional assistance during this study time. Revising effectively can make all the difference to the final study scores.

Some tips for managing exam time effectively are:

- Use your reading time productively. During this time decide the order of questions you will complete and use this time to plan how you can organise a timeline to complete all questions in the given exam time.

- As you are responding to questions, jot down ideas that come to mind for answering other questions, in the margin against such questions. When you finally get to these questions they will be easier to complete and you won’t have forgotten these ideas.

- You are required to remain in the exam for the entire period of time. Make sure every second of your exam time counts. Use this time to complete every question. It is not as useful to only complete a few questions perfectly because each question is worth a limited amount of marks: you need to complete all questions. If you don’t know an answer to a question, use some information in the question to write a response. The alternative is getting no marks if you do not respond to a question.

- If you finish an exam early don’t just sit there and look around the room. Review all your questions and answers and make sure you have answered each question thoroughly. You will find this time useful in being able to improve upon your answers.

I wish all Senior School students the very best for their upcoming exams.
2012 VCE RESULTS AND ATAR SERVICE
2012 VCE Results and the ATAR will be available on the 2012 VCE Results and ATAR Service from 7am Monday, 17 December. Results can be accessed by SMS or from the Internet. Students will need their VCAA Student Number and PIN. If you are a VTAC applicant, use your VTAC PIN. If you are not a VTAC applicant use the first four digits of your birthdate (eg 17 July = 1707).

Internet The internet service is free and is available 24 hours a day from 7am Monday, 17 December until 5pm Friday, 21 December – resultsandatar.vic.edu.au

SMS To pre-register to receive your results by SMS, send a text message as follows: student number (eight digits only), space, PIN, send to 19787 888. This can be done from 9am Monday, 12 November until midnight Sunday, 16 December. Results will be received at 7am on Monday, 17 December.

Mail Results and ATAR statements will arrive in the mail from Tuesday, 18 December.

IMPORTANT DATES FOR YOUR CALENDAR
• Year 12 Examinations: Thursday, 1 November – Wednesday, 22 November.
• Last day of Year 11 classes: Friday, 16 November
• Year 11 Examinations: Monday, 19 November - Friday, 30 November. The results from these Year 11 examinations are very important and determine subject selection and promotion to Year 12.
• The final submission date for all work for Senior School students - Friday, 9 November.
• Confirmation of 2013 Enrolment: Tuesday, 11 December and Thursday, 13 December.
• Presentation Night: Tuesday, 18 December

EARLY COMMENCEMENT PROGRAM
As in previous years, we are running a compulsory Early Commencement Program for all Year 10 and Year 11 students from Monday, 3 December to Friday 7 December. Teachers will conduct classes for the week and the work covered will not be repeated next year. The program gives students the opportunity to get a head start with their studies and enables them to complete preparatory work over the summer school holidays.

VALEDICTORY DINNER
On the evening of Friday, 26 October, we farewelled our Year 12 students at the Valedictory Dinner held at The Sebel, Albert Park. Over 600 people attended the dinner and many awards were presented. Seeing these wonderful young adults completing high school was a proud moment for many of us.

It is hard to believe that six years ago they were only eleven or twelve year olds and starting high school for the first time. The dinner was a fantastic opportunity to celebrate the students’ achievements with their parents and teachers.

I would like to thank Ms Sarah Toohey and Mrs Maree Granger for all of their hard work in the organisation of this event.

Charles Hawker Scholarships, valued at up to $60,000 over four years, will soon be available for interested Year 12 students to lodge applications. An application form and further information is available from www.hawkerscholarship.org. Please see Ms Wilson if you are interested.

**DOXA HOLLINGWORTH CADETSHIP PROGRAM**
This program is designed to provide disadvantaged youth who have satisfactorily completed their Year 12 studies, with the opportunity to pursue university education and gain future employment. The current cadets are studying a range of degrees including Social and Environmental Science, Applied Science, Law, Arts, Commerce, Transport and Logistics Management, Economics, Business, Computing, Engineering, Accounting, Public Relations, Human Resources, Psychology, Arts, Urban Planning and Architecture.

The Doxa Cadetship provides:
- Financial assistance
- Work experience with a corporate organisation
- A mentor
- Book allowance
- Professional and personal development.

Application forms are available from Ms Wilson or can be downloaded from www.dox.org.au

**DAVID BURGESS FOUNDATION**
The foundation aims to assist young people from state secondary colleges who have had to struggle to overcome adversity, who have shown commitment to their goals and those of the community and who, with some help, will achieve those goals. The foundation will make annual awards to Year 12 students who gain entry to tertiary courses at Victorian universities or TAFE institutes. Under this scheme, each award winner may be eligible to receive up to $3,000 each year towards the cost of his/her course, as well as support and guidance from mentors and assistance with finding part-time jobs. The foundation aims to help financially disadvantaged students, with little or no support system of their own, to make the transition from a supportive school environment to a tertiary educational setting. If you are interested in applying, please see Ms Wilson.

**THE DAFFYDD LEWIS TRUST SCHOLARSHIPS**
Male students undertaking a degree course at a Victorian university (other than in Theology, Music, Arts and Education), may apply for scholarships under the Daffydd Lewis Trust. The scholarships are open to boys no more than 18 years and six months old at 1 January, the year they commence their degree, who have been educated in Victoria at a government secondary school for at least five consecutive years and whose parents’ joint gross income is not more than $55,600 per annum. Further information and application forms on Daffydd Lewis Trust Scholarship can be obtained from: http://www.dlewis-scholarship.org.au

**THE MARY JANE LEWIS SCHOLARSHIP FOUNDATION**
Scholarships of $10,000 per annum are available for students from government schools undertaking a degree course at the University of Melbourne in 2013. The combined gross income of the applicant’s parents must not exceed $55,600 per annum. Further information on The Mary Jane Lewis Scholarship Foundation can be obtained from: http://www.dlewis-scholarship.org.au

**THE CAPTAIN REG SAUNDERS SCHOLARSHIP**
The Captain Reg Saunders Scholarship is an annual scholarship open to Koorie and Torres Strait Islanders who are eligible to commence, or are currently studying, a university degree or diploma course in 2013, and intend undertaking this Degree/Diploma in the area of Psychology, Nursing, Applied Science, Social Work or Education. This Scholarship is valued at $3,000 for one year. Further information and application forms can be obtained via telephone: 1800 620 361 or the website: http://www.accsoft.com.au/vvt

**DONATE OLD PHONES!**
Bring your old mobile phones to school on Friday, 23 November and help the gorilla survive.

One of the biggest threats to gorillas is the illegal mining of Colton, a mineral used in mobile phones. These phones will be donated to The Melbourne Zoo and all the money raised will help support rangers in the Democratic Republic of Congo stop this illegal mining. Please donate your old phones, chargers or phone batteries and help stop these animals from disappearing from our world.

TWILIGHT WORKING BEE!
Thursday, 22 November 4pm – 7pm

Your help is needed please!

On Thursday, 22 November, the Grounds Committee is holding the Twilight Working Bee from 4pm to 7pm. We are requesting that, if possible, parents, students and staff assist in the completion of a number of grounds and maintenance tasks around the school.

This time has been suggested to allow parents and staff who have commitments on the traditional Sunday morning time to be able to attend.

We are quite dependent on our Working Bees to help maintain our lovely grounds. It is also a good opportunity to meet other members of our school community.

The school has some gardening tools but it is always helpful if Working Bee members can bring their own as well. We will be mulching and planting, as well as generally cleaning up, so wheelbarrows, shovels, secateurs and clippers would be particularly useful. We go ahead – rain, hail or shine!

We meet at the Year 7 – 10 Campus carpark. At the end of the Working Bee there will be a thank you Sausage Sizzle provided for all those who have donated their time to assist in this activity.

Please register online at www.fhs.vic.edu.au if you are able to attend the Working Bee. Alternatively, telephone the General Office or email office@fhs.vic.edu.au by Thursday, 22 November 2012.

Thank you
Lee Anne Smith

AEROBICS
Ms Genevieve Donovan — Coach

The School Aerobics Spring Competition was held at the Geelong Arena on Saturday, 27 October. This year a group of 12 girls have been working really hard as part of the Frankston High School Aerobics Team; training two days a week to prepare for the School Aerobics Spring Competition. The girls have even given up some of their lunches to prepare for the day! The first team consisted of Milly Cox, Mika Mori, Abbey Sherry, Rebecca Clancey, Clara Wibowo and Issy Swanwick. The second team consisted of Madison Child, Sarah Jesse-Potter, Bridin Walker, Kimya Rasouli, Pomona Mani and Monique Callaghan.

The girls were really excited as they all arrived in their costumes, hair done and looking very impressive. As they added the final touches to their routines and hair, the excitement was building. They performed with energy and strength, all their hard work had paid off. Special mention to Bridin Walker who performed with an injury in order for her group to participate. It was a fun day for all the students, teachers and parent who attended and it was great to see the wonderful sportsmanship of our students. Congratulations to all the girls, they did a marvellous job!

CYBERSMART OUTREACH
INTERNET SAFETY
AWARENESS PRESENTATION

YOU'RE INVITED

TUESDAY 13 NOVEMBER @ 5:30PM
IN THE JUNIOR RESOURCE CENTRE

PRESENTED BY
Australian Communications and Media Authority

cyber(smart):

FREE!

“I think parents walked away with a broader understanding of what young people are doing online and how they can begin talking to their children about staying safe online.”

To help your children stay safe online Frankston High School is hosting a Cybersmart Outreach—Internet Safety Awareness presentation. Designed for parents, teachers and students, this presentation is provided by the Australian Communications and Media Authority (the ACMA) as part of a national program of cybersmart initiatives.

BOOK YOUR FREE SEATS
Secure seats by registering your attendance online:
www.fhs.vic.edu.au/cybersafety

Parking available in the carparks and on the hardcourts.

The presentation is thorough, non-technical and is conducted by an accredited cybersmart trainer. Presentations provide valuable information about the risks confronting children online, and offer tools and tips to help make their internet experiences safe and positive.

Alternatively call 9783 7955 to register your attendance with reception.

“The presentation opened my eyes to what is really going on online, particularly as I am not a frequent user of the internet.”
