DEAR PARENTS, STAFF, STUDENTS AND FRIENDS

MESSAGE FROM THE ACTING PRINCIPAL

BAND CONCERT
On Wednesday, 31 October, our bands presented their Annual Concert at the Frankston Arts Centre. Once again, it was an awe inspiring event. The quality of the bands never ceases to amaze me. The training band, composed of Year 7 students playing an instrument for the first time, were very impressive which suggests that the quality of the bands will continue to grow and develop as the years go on. The senior students were also magnificent and it is a little sad to be saying goodbye to such a dedicated group of young people. Thank you to Thomas Williams who emceed the event and sang the final number, and to Amy Porter whose portrayal of a witch was truly frightening and made the Intermediate Band’s performance even more exciting. Thank you to Mr Peter Sharp, Mr Leon DeBruin, Mr Simon Chiodo, Mrs Sally Bredin and Mrs Amy Sapwell.

EARLY COMMENCEMENT PROGRAM
On Monday, 3 December, students began their 2013 course of studies. They start next year’s subjects and, for the most part, will have next year’s teachers. This is a very important program and students need to be present each and every day. Students beginning Years 11 or 12 will certainly have work to complete over the holidays as will some classes in Years 9 and 10. The Early Commencement Program will conclude for 2013 VCE students on Friday, 7 December; students in Years 8 & 9 (2013) will take part in activities (Beach Day and Luna Park) on Wednesday, 19 and Thursday, 20 December, while 2013 Year 10 students will take part in enrolment interviews as required.

SISTER SCHOOL SYMPOSIUM
Emily Maxwell-Gould (Year 11 student) and I presented at a state-wide symposium on developing socially responsible, active, global citizens. Emily spoke about her experiences on the French trip and on World Challenge. She spoke confidently and passionately without notes and clearly stole the show. We were presenting with other schools, both government and private, and Emily was an outstanding ambassador for Frankston High School.

THE GREAT VICTORIAN BIKE RIDE
After months of training, 32 students, three teachers and
a number of parents joined 1,000s of other bike riders on
The Great Victorian Bike Ride. This consisted of nine
days of constant bike riding, up and down hills and in all
weather conditions. The students were wonderful,
demonstrating all of our school values as well as great
enthusiasm and constant encouragement for their team
mates and other participants. I have received several
phone calls commending the students on their behaviour
and their good manners, as well as letters from parents
stating, the Great Victorian Bike Ride “was a life-changing
dedication and hard work. To top off a tremendous nine days,
Frankston High School received the award for being the
top school taking part in the event. Congratulations to

dedication and hard work.

HUMAN POWERED VEHICLE
Miss Georgia Cameron, one of our talented Outdoor
Education teachers, led a group of committed students
through weeks of training to compete in the RACV
Human Powered Vehicle Challenge in Maryborough. It is
a wonderful opportunity for students as it not only
requires an enormous amount of physical stamina, but
also teamwork, communication skills and problem solving
ability. The team spent Thursday, 22 through Sunday,
25 November camping out at Maryborough during which
time they participated in a 24 hour trial, working hard
throughout the day and night. A special thank you to
Miss Georgia Cameron and Mr David Long, one of
our committed parents, who helped the students
construct their vehicle, and to Mr Adam Martin, our AFL
traine, who gave up his weekend to assist.

WORKING BEE
The attendance at the Twilight Working Bee was a little
down on numbers, but they still accomplished quite a lot.
They primarily concentrated in the vegetable garden area
of the school and it is looking much better. Thank you
to Ms Lee Anne Smith for organising the event and for
working like a Trojan along with the volunteer helpers.
Also, thank you to Ms Georgie Stein for her artistic
approach to making these gardens a really magical place.

SENIOR CAMPUS NEWS
Ms Helen Wilson
Senior Campus Principal

CONGRATULATIONS TO NIKOLA GUZYS-MCAULIFFE – KWONG LEE DOW YOUNG SCHOLARS - CLASS OF 2014
It is with great pleasure that I announce that one of our
Year 10 students is the recipient of the prestigious Kwong
Lee Dow Young Scholars Program. Congratulations to
Nikola Guzys-McAuliffe who will join a select group of
students to receive support and special access to the
resources of the University of Melbourne.

Nikola was selected into this program based on her
outstanding academic performance and leadership skills.

The Kwong Lee Dow Young Scholars Program is a three
year academic enrichment program designed to assist
high achieving students in realising their full potential
through creating a network and community of students.
Nikola will have opportunities to participate in an
extensive program of events and activities including
lectures by leading researchers and seminars with world
class teachers.

The program was established in 2007 and is named in
honour of eminent scholar, leading educationalist and
former Vice-Chancellor of the University of Melbourne,
Professor Kwong Lee Dow.

Nikola is a worthy recipient of this award, and I am sure
this will be an invaluable journey of learning for her.

YEAR 12 EXAMINATIONS
The Year 12 examinations have now concluded. My
sincere thanks to Mrs Bev Valentine, our Chief
Supervisor, and to the other supervisors who ensured the
exams ran effectively. The supervisors reported that our
students were extremely well behaved and focused on
their exams, which was wonderful to hear.

Year 12 students will be able to access their results and
ATAR on the 2012 VCE Results and ATAR Service
from 7am on Monday, 17 December.

Results can be accessed by SMS or from the internet.
Students will need their VCAA student number and PIN.
If you are a VTAC applicant, use your VTAC PIN. If you
are not a VTAC applicant use the first four digits of your
birthday (eg 17 July =1707).

Internet The internet service is free and is available 24
hours a day from 7am Monday, 17 December until 5pm
Friday, 21 December – resultsandatar.vic.edu.au
SMS To pre-register to receive your results by SMS, send
a text message as follows: Student Number (eight digits
only), space, PIN, send to 19787 888. This can be done
from 9am Monday, 12 November until midnight Sunday,
16 December. Results will be received at 7am on
Monday, 17 December.

Mail Results and ATAR statements will arrive in the mail
from Tuesday, 18 December.
YEAR 11 EXAMINATIONS
Year 11 examinations concluded on Friday, 30 November. I have been very impressed with the students’ attendance and positive work ethic during this exam period. My sincere thanks to Mrs Ellen D’Ambra and Mr Con Neratzoglou for their excellent organisation of these exams. The results from these Year 11 examinations are very important and help to determine subject selection and promotion to Year 12.

EARLY COMMENCEMENT PROGRAM
The compulsory Early Commencement Program for all Year 10 and 11 students commenced on Monday, 3 December and concludes on Friday, 7 December. Senior School teachers will run classes for the week and the work covered will not be repeated next year. The program gives students the opportunity to get a head start with their studies and enables them to complete preparatory work over the school holidays.

ENROLMENT CONFIRMATION FOR 2013
Year 10 and 11 students are required to confirm their courses for 2013 on Tuesday 11 or Thursday 13 December. On these days students must firstly collect their reports from the appropriate sub school office before proceeding to course confirmation, which will be held at the Senior Campus in Rooms 307 and 308.

Students have received their 2013 enrolment packages during the week of the Early Commencement Program. All information pertaining to course confirmation and enrolment will be contained in these packages. If you have any questions regarding this process please do not hesitate to contact the Senior School Coordinators Office.

PRESENTATION NIGHT – TUESDAY 18 DECEMBER
I look forward to seeing parents and students at the Presentation Night which will be held on Tuesday, 18 December at 7:30pm at the Frankston Arts Centre. This night acknowledges and celebrates the achievements of our students from Years 7 to 12.

THANK YOU AND BEST WISHES FOR THE FESTIVE SEASON
As 2012 draws to a close, I would like to take this opportunity to thank all Senior School teachers for their passion, dedication, enthusiasm and sheer hard work in providing each student with every opportunity to achieve their goals. They are always giving of their time and assistance and I thank them for their outstanding commitment and the excellent teaching and learning they have provided for the students. It is a privilege to work with such dedicated and conscientious teachers.

My sincere appreciation and thanks must go to Mr John Albiston. Frankston High School is an outstanding school, a school where there is a culture of academic excellence, where every student is given every opportunity to maximise their learning outcomes. There is a dynamic learning environment with shared goals, a sense of responsibility for making a difference and a culture of continuous improvement. This would not be possible

The start and end of the school day is a very busy time and it is essential parents and friends consider student safety when picking up or dropping off students.

Please do not drop off students in the No Standing Zones. There are designated drop off / pick up lanes for your use. There are also many side streets where there are safe areas to drop off students. Could you also please be mindful of not blocking driveways of our neighbouring homes.

without John’s support, encouragement and leadership, and I sincerely thank him for his personal support and his outstanding commitment to Frankston High School.

I would also like to thank the Senior School Administration Team for their assistance and the invaluable work they do in supporting our students – Mrs Maree Granger (Senior Sub School Leader/Year 12 Co-ordinator), Mrs Ellen D’Ambra (Year 11 Co-ordinator), Mrs Carolyn Walsh (Careers Co-ordinator), Mr Con Neratzoglou (Assistant Year 11 Co-ordinator), Ms Clare Challenger (Assistant Year 12 Co-ordinator), Ms Sarah Toovey (Assistant Year 12 Co-ordinator), Mr Pat Keane (Senior Resource Centre Co-ordinator), Mrs Sue Robinson (VCAL Co-ordinator), Mrs Janene Strange (VET Co-ordinator) and Mr Matt Parker (Chaplain). The drive and leadership of these people is what makes the Senior Campus the school that it is and I thank them most sincerely for their tireless energy in ensuring all students achieve their best.

In addition, I would like to thank and acknowledge the work of our Educational Support Staff – Ms Mindy Fischer (Senior School Office Manager) and Mrs Carolyn McIver (Senior Co-ordination Administrative Assistant).

Finally, I would like to thank the parents and the wider Frankston High School Community for your support throughout the year. I wish everyone a safe and happy Christmas and festive season, and I look forward to working with you again in 2013.

The Athlete’s Foot

Shop 136, Bayside Shopping Centre
Frankston, 3199

Each time a Frankston High School student, family members or friends comes into The Athlete’s Foot in Frankston, mentions the school’s name and makes a purchase we will donate $5.00 to Frankston High School.
From Thursday 22 to Sunday 25 November, eight Frankston High School students participated and competed in the RACV Energy Breakthrough in Maryborough. Blake Neck, Tom Albiston, Riley Chester, Luke Stafford, Oliver Rear, Jacob Long, Blake Cauchy and Jake Galea made up our all boys team aptly named ‘The Hulk’. They had their presentation on Friday where they had organised a mock court case. Blake Cauchy did a fantastic job at putting forward an excellent case for the defence and proved beyond reasonable doubt that Frankston High School had prepared adequately for the competition. They then went through scrutineering and passed the RACV test of approval without a problem. This is largely due to the help of a very dedicated parent, Mr David Long, who assisted the boys in the construction of the HPV - The Hulk. The boys then went on to Design and Presentation where they had to explain to two judges how they put the HPV together and why they did it this way. They were able to discuss their understanding of sustainable practices, specifically human pedal power and how it may help to reduce the effects of global warming.

The trial is a 24 hour endurance event and there were 97 HPV’s competing this year, with students from Years 7 to 12. We were placed at number 20 on the starting grid, thanks to Blake Neck, who completed one lap of the 1.34km track in 1 minute and 59 seconds during the time trials. The vehicle was rolled twice and involved in some serious collisions but this did not deter the boys and their competitive spirit never waned. They represented the school in an outstanding manner. Special mention to Tom Albiston, who held the flag high for Frankston High School as he completed the final laps in this year’s Energy Breakthrough, bringing the team in at 42nd place, an exceptional achievement!

Thank you also to our sponsors, Reddy Roast Frankston, JLJ Carpentry, Core Fitness Frankston, Avanti Plus Cycles and IDP Education. Your contribution to this worthwhile event was greatly appreciated by the Frankston High School HPV team.
YEAR 12 INFORMATION
VTAC Update
Year 12 students who have applied for a tertiary place in 2013 have all received a package to be used during the week following the distribution of their ATAR and Subject Scores. The ATAR and Subject Scores will be known to students from 17 December onward (7am to be exact). During the week following that Monday, tertiary institutions will open their doors and be available to students to help them, should they decide that they wish to ‘Change their Preference’ for tertiary study.

In the package that each student has received you will find a handout outlining best practice for students during this week to ensure that they achieve their career dreams. There is also a summary handout of the events, hotlines and websites that will be active during this week to aid students in their endeavours.

I urge our graduating Year 12 students to invest some quality time into finalising their preference list and accessing the institutions during this period to ensure they are in the course that is exactly right for them.

CSP University of Canberra Courses
Holmesglen Institute has recently entered into partnership with the University of Canberra. Being a very new relationship, the courses that have developed as a consequence of this combination were not in the VTAC guide or available via the VTAC process. Thus, should students be seeking a CSP position in any of the below listed degree areas, it would be wise to apply directly to Holmesglen and the University of Canberra in order to ensure that a place studying in the area of interest for the student is assured. The courses on offer are:

- Bachelor of Commerce Chadstone
- Bachelor of Business Chadstone
  (Executive Management)
- Bachelor of Business Chadstone
  (Marketing Management)
- Bachelor of Graphic Design Chadstone
- Bachelor of Interior Architecture Chadstone
- Bachelor of Justice Studies Waverley
- Bachelor of Sports Management Waverley
- Bachelor of Screen Production Waverley
- Bachelor of Hospitality Management Waverley
- Bachelor of Fashion City
  (Apparel Engineering and Design)
- Bachelor of Information Technology City

For 2013 students apply for these courses directly. Applications are via the University of Canberra website which can be accessed via the Holmesglen website. Pre requisites are available on the University of Canberra website.

YEAR 10 INFORMATION
Vocational Testing
There are many testing tools available for young people (and old) to try which take a small amount of time and end with a report that outlines the types of jobs that you would likely enjoy and be suited to. I have discovered one recently which is free and the trials that I have run so far have given some very good results. If you can spare 20 – 25 minutes, you may wish to try this vocational test to see which jobs you are most suited to according to this simple online test. Here are the instructions.

- Go to www.groper.com.au
- Use the fish icon and answer ‘yes’ and then ‘next’
- Enter your details
- Start your Assessment
  1. Inner Reef – work related activities
  2. Outer Reef – work areas
  3. Rip – work values
  4. Deep Sea – Occupations
  5. Island – Leisure activities
- Click ‘yes’ to get your free mini report
- View your free mini report
- Print this if you have time. It is emailed to you also.

YEAR 11 INFORMATION
Facebook for Communication
The Year 11 students of 2012 are able to join the 2013 Year 12 Careers Facebook Group should they wish to receive information via this form of communication.

In 2012, the Year 12 students were regularly updated regarding new courses, apprenticeship opportunities, casual employment opportunities and VTAC details via Facebook and this proved to be a successful means of communicating. This year’s Year 11 group can join their Year 12 group by visiting Facebook.com/groups/FHSCareersYear122013. This is a closed group and one that is used only for the purposes of delivering information relevant to the whole of the cohort. Individuals who have questions and requests pertinent to themselves only are to email cwalsh@fhs.vic.edu.au to receive an individualised response from Carolyn Walsh, Careers Co-ordinator at Frankston High School. Students are not penalised by choosing not to use this form of communication as there exists a Careers Noticeboard on the Senior School Campus where regular updates are posted.
YEAR 9 INFORMATION
RMIT Science Experience 2013
The Science Experience is three fun-filled days of hands on activities and practicals for students entering Year 10 in 2013. This popular school holiday program allows Australia’s next generation of curious scientists to go behind the scenes and sample the exhilarating world of science and technology. Students will perform experiments, participate in field trips, attend university lectures and experience three days of student life on campus at RMIT.

You may have seen long lines of students riding around the streets of Frankston and Mount Eliza over the last couple of months. If not, maybe you’ve heard the calls of “car up”, “car back”, “slowing”, “all clear” or “passing on your right”. If so, then there is every chance that you have witnessed the Frankston High School students training for this year’s Great Victorian Bike Ride.

The 2012 event began on 24 November in Lakes Entrance, winding its way through Gippsland and the highlands along sections of Grand Ridge Road, until finally finishing 595 kilometres away on Phillip Island on 2 December.

The students, parents and staff have been training hard in preparation for this gruelling nine day challenge with many of them having ridden up to 1,000 kilometres. One weekend prior to leaving, we rode to the top of Arthurs Seat which was a huge challenge. Everyone successfully made it to the top then enjoyed the exhilaration of the descent into Dromana. This ride was a very challenging 82 kilometres in total. To give an indication of the improvement in the students riding fitness, the first training ride was less than 10 kilometres around the hills at the back of Frankston and most students were really struggling.

We have been extremely fortunate with the support that we have received from our sponsors. Their generous contributions to the Great Victorian Bike Ride Team have been greatly appreciated. We would like to thank our sponsors: Avantiplus Frankston, Bayside Coaches, Nicholas Lynch Real Estate and Kings Swim Club.

We ran a raffle for an Avanti Blackthunder Mountain Bike valued at $475.00 that had been donated by Avantiplus in Frankston. The raffle was drawn at lunchtime on Wednesday, 21 November with the lucky winner being Duncan Turner. Second prize of a helmet was won by Kate Turner and third prize, a bike pump went to Lisa Pieropan.

Yes we are back from nine days of pedalling through the Strezleckis and Gippsland and enjoying a cushioned seat. Our students once again were amazing, receiving constant praise from other riders. Whilst we believed that they were clearly the best group on and off the road, it was made official at Saturday night’s dinner, when they received the major gong for the Best School Group, winning a $1,800.00 voucher for Rebel Sport. This was a fantastic effort after coming second last year. Our students were fantastic ambassadors for our school and wider Frankston. A special thanks to Ray and Lisa for all of their hard work on the ride and during the training sessions.
