DEAR PARENTS, STAFF, STUDENTS AND FRIENDS

As Term 1 finishes we are overwhelmed with the many success stories that have happened thus far, as we celebrate student and staff achievements.

FRANKSTON HIGH SCHOOL: A HIGH PERFORMING SCHOOL OF ACADEMIC EXCELLENCE
Data released by the Federal Government on schools across Australia indicates that our school can be justifiably proud of the outstanding reputation we have as a high performing school of academic excellence. NAPLAN data growth when tracking Year 7 students from 2010 to Year 9 in 2012, shows that their growth in learning is significantly better than students in similar schools across Australia in both literacy and numeracy. This is a fantastic result indicating that our focus on improving the learning outcomes of all students by enhancing teacher practice is reaping results beyond what other schools are achieving. Students and teachers are to be congratulated for their ongoing devotion to exceeding all expectations with regards to learning. Thanks also to parents who inspire their children to make the best use of the learning opportunities on offer at our great school. Parents make a difference by encouraging their children to do their homework and discussing books that are being read. Thanks to parents for providing a quiet space at home for your children to study and engaging in discussions about the learning that is occurring at school.

STUDENT ARTWORKS ARE THE TOP IN THE STATE!
I am thrilled to announce that two of our former Year 12 students have had their VCE artwork recognised as amongst the top in the state. Congratulations to Laetitia Olivier Gargano for being shortlisted for the Top Arts Exhibition and to Glen Clancey for having his artwork selected for exhibition. This exhibition selects the finest student art from across the state and only includes 43 exhibits. Glen’s artwork was inspired as a result of his participation on the last World Challenge Expedition. I encourage all students who have talents in the Visual Arts to view this exhibition and be inspired (Season of Excellence: Top Arts: 21 March to 16 June 2013). Many thanks to our Art teachers for nurturing the talents of our creative students. Both students are now studying Fine Arts at Monash University.

SPORTING PARTICIPATION AND SUCCESS ALREADY OUTSTANDING!
Thanks to the many staff who have volunteered to coach teams throughout this term; we have been able to field 32 teams across the school to compete in District Sport in Term 1. As a result of this magnificent student participation, 21 teams have become District Champions and will continue to represent Frankston High School in further competition. This involvement has helped reinforce a strong sense of belonging in students to our great school. The reason we have such great success is because most students participate in sport, realising that personal health is the foundation for leading a successful life.

FRANKSTON HIGH SCHOOL DISTRICT AND SOUTHERN ZONE SWIMMING CHAMPIONS!
Congratulations to Mrs Mary Hunter, Ms Deb Anderson, Ms Lorelle Molloy and Ms Gemma Hill who led our champion team of elite swimmers to triumph at the District and Southern Zone Swimming Sports. In both championships, Frankston High School triumphed convincingly and, as this newsletter goes to print, a strong squad is competing in the State Swimming. We will certainly celebrate their success in the next newsletter.
ROWING TEAM: STATE CHAMPIONS
Many thanks to our rowing coaches, Mrs Mary Hunter and Mr Glenn Fischmann; their unbelievable commitment in coaching our rowing teams enable our students to participate in this great sport. These coaches take our students for training at 6am when most of us are tucked away in bed. They also support our students in entering events during the holidays and weekends to help them develop their skills and fitness to an elite level. Such dedication to training allows our rowing team to hold their heads high in competition. Our team recently competed in the VSSSA Regatta and the Head of School Girls Regatta. This resulted in a double sculls team; Sam Little, Laura Kelly, Lachlan Flakemore, Saskia Dekker, Lou Kelly, Elizabeth Simpson and Beth Mainland, becoming VSSSA State Champions, which is a phenomenal achievement. The girls competing in the Head of School Girls Regatta also made us proud. Our girls beat Geelong Grammar to compete in the semi finals, which is a fantastic achievement considering this is the largest most competitive school event in the Southern Hemisphere. Thanks to our dedicated teachers, we are one of the few government schools able to offer rowing as a sport.

ELITE STUDENT ATHLETES DO FRANKSTON HIGH SCHOOL PROUD IN NATIONAL CHAMPIONSHIPS
Recently a squad of talented student athletes competed in the Australian Junior Track and Field Championships in Perth. Their achievements place them up there with the top in Australia. Congratulations to Lawson Power - 4th U/16 400m, Jasmine Carrol - 3rd U/18 Javelin & 9th U/18 Hammer, Emily Hodges - 6th U/16 200m Hurdles & 15th U/16 90m Hurdles, Alona Broome - 3rd U/17 Long Jump & 6th U/17 Triple Jump, Kaelah Elvish - 6th U/14 Long Jump and Brad Butler - 2nd U/14 Hammer, 3rd U/14 Javelin & 6th U/14 Discus. Ryan Bedford, who graduated last year, achieved 2nd in the 200m. Thanks to Ms Chloe Edwards, a former National Athletic Champion and current staff member, who has supported these students with coaching and training regimes and competition opportunities.

PARENT–TEACHER-STUDENT INTERVIEWS A HUGE SUCCESS!
The feedback from parents during Parent-Teacher-Student Interviews has been overwhelmingly positive. It was impressive to see most students with their parents for the interviews as required. The availability of increased booking times was certainly taken advantage of. Such a three way conversation is critical in forming a strong partnership between home and school to support our students in striving for ongoing improvement. A huge attendance clearly demonstrates that our community values learning and this is why our students frequently achieve beyond our expectations.

WORKING BEE – STAFF, PARENTS AND STUDENTS MAKE IT A GREAT SUCCESS!
Thank you for the exceptional turn up of staff, parents and students to our recent Working Bee. A great deal of effort resulted in significant improvements to the school grounds. It was wonderful to see the friendship and enthusiasm as parents, staff, students and friends worked tirelessly alongside one another. This high aerobic activity certainly saved a trip to the gym. Special thanks to Ms Lee Anne Smith, who worked with great energy and enthusiasm to organise this event. Thanks especially to all those new families who attended. We hope to see you at the next Working Bee in Term 2.

OSAKA SEIKEI GIRLS HIGH SCHOOL ENJOY THEIR STAY
Over the last ten days, we have had the pleasure of hosting staff and students from Osaka Seikei Girls High School. Thank you to our host families and students for your warm welcome to our valued friends and especially for generously opening your homes to host. Our visitors enjoyed their stay due to the wonderful support and friendship offered by our students and their families. I am sure this has once again proven to be worthwhile intercultural exchange for everyone. We remain indebted to Mrs Anne Thomson for her excellent coordination of this most successful visit.

WORLD CHALLENGE STAFF COMPLIMENT OUR STUDENTS
Recently our four World Challenge teams, together with their very brave teachers (Mrs Child, Ms Constanzo, Ms Toovey, Ms Long, and Ms Donovan), undertook a challenging overnight hike in Gembrook experiencing inclement weather conditions. World Challenge personnel commented on how impressed they were with our students who supported each other and worked very effectively as a team. I wasn’t surprised at all with such feedback; I constantly admire our students who are always terrific ambassadors, upholding our school values wherever they go.

GOOD NEWS: SUMMIT ROAD STILL SAFE FOR ALL STUDENTS
Recently I received a reassuring letter from Mr Geoff Shaw (Independent MP) stating that the school crossing on Summit Road will continue to be supervised. This will allow many of our students to safely access Overport Primary School and Frankston High School.

Unfortunately I have had to leave many Term 1 achievements out of this report because it would become far too long. I will endeavour to include more in future editions.

Wishing all members of our school community a safe, relaxing Easter break. I look forward to welcoming everyone back to a very promising term of challenging learning experiences.

SENIOR CAMPUS NEWS
Ms Helen Wilson
Senior Campus Principal

VCE LEADERSHIP AWARDS
Students may wish to nominate for the 2013 VCE Leadership Awards. These awards recognize the efforts of VCE students in promoting leadership and participation in their school and local community. VCE Leadership Award recipients are students who demonstrate initiative, inspire others, work well in a team and are committed to making a difference. They take an interest in activities such as the arts, sport, debating and public speaking; they may campaign for social justice and environmental protection and/or raise funds for worthy causes.

To qualify students should be studying at least two Unit 3 and 4 studies. If you are interested in nominating yourself or another student, please see me as soon as possible.

STUDY SKILLS
Students should now have developed regular study habits and an organization/study timetable according to the guidelines presented in the Elevate Education Seminars and iSupport.

In the Senior Student Diary there are great hints on where and how to study, motivation, goal setting, note taking skills, essay writing, research strategies, memory skills and stress management.

I encourage all students to have a look at this valuable resource and discuss how they can use these techniques to develop better study skills, which are vital for Years 11 and 12.

Students should also be practicing as many exam type questions as possible, in preparation for the end of year examinations.

CONGRATULATIONS TO COREY MICARI, YEAR 11
Corey is the 2012 winner of the MMS Model Search and has just been signed to IMG Models New York. Corey has recently returned from America where he met with IMG executives and participated in various casting calls for Calvin Klein and Versace.

Corey is also an outstanding footballer who currently plays for the Dandenong Stingrays in the TAC Cup. On completion of this year, Corey would have been eligible for the draft into the AFL.

Next year, Corey will be hoping to pursue his aspirations in modelling world-wide and we look forward to seeing Corey in the major international fashion shows.

CONGRATULATIONS TO EDWARD GATES
Well done to Edward Gates of Year 12 for placing as a national finalist in the Melbourne International Comedy Festival’s “Class Clown” Competition.

Two weeks ago Edward made it past the state finals and will now compete against other secondary school comedians from across the country at the Class Clown Grand Final at the Melbourne Town Hall on 19 April. This is a huge achievement as Edward is one of only 12 finalists Australia-wide. We wish him all the best with this competition.
PARENT-TEACHER-STUDENT INTERVIEWS
Thank you to all parents, guardians and students who attended these interviews. The feedback was extremely positive and it was reassuring to know how much the school community values the excellent work of our teachers. These interviews provide an important opportunity for teachers, parents and students to work together to further improve learning outcomes.

STUDENTS DRIVING TO SCHOOL
Students who drive to school are reminded that they must complete a consent form (which is available from the Senior Office) and attach a photocopy of their driver’s licence. Students are not permitted to park in the school grounds and hence, must ensure that they follow local parking restrictions on nearby roads. Students should also be aware that they must not park too close to the pedestrian crossings or driveways.

WORKING BEE
Thank you to Ms Lee Anne Smith who organized a very successful Working Bee focusing on the gardens and grounds on the Senior Campus. The areas look beautiful with a lot more light, and were in need of attention, particularly after the heatwave we experienced. Thank you also to the staff, parents and students who attended.

SLC CONFERENCE
Thank you to Mrs Jess Bambridge for her organization of a very successful Student Leadership Council Conference. Through various activities, the students demonstrated strong leadership skills and we look forward to working with the SLC and the School Captains and Deputy Captains this year.

NEW PARENT EVENING
Thank you to Ms Lee Anne Smith who organized a very successful new parents evening on Wednesday, 6 February. It was an excellent opportunity to meet with the new parents of the school and address any questions or enquiries they have. If parents would like to discuss their child’s progress at school, they are most welcome to contact the relevant Year Level Coordinators.

TERM VACATION
I wish all senior students and staff a relaxing and safe holiday. Students need to ensure that they are revising their work over the holidays and Year 12 students should continue to practice past examination questions.

Examination papers can be viewed on the VCAA website: www.vcaa.vic.edu.au. Students should also look at the assessment reports on this website; these are written by the examiners and individual questions are discussed. Generally, if students have performed poorly on a type of question then this question may reappear on future exam papers.

I cannot stress highly enough to students the importance of using part of these holidays for study purposes.

HISTORY INCURSION
Chloe Chiappa 7B

Today’s History Incursion was organised by Mrs Bretherton. It was put together to educate our class a little more about the ancient Egyptians, Greeks and Romans, and also the Vikings.

I liked the fact that most of us had the chance to dress up in costumes of people from these periods, I wasn’t one of these people, but it was definitely very enjoyable to watch! It was interesting to see the amount of detail that they put into the making of all this clothing, especially the ancient Egyptians. Towards the end of the second period, Isabella was part of an acting scene in Viking times and so were Peyton and Rhys. This was funny!

There wasn’t a part of this morning that I didn’t like, it was all so fun, funny and interesting!!!! You could tell that everyone else really enjoyed it all as well.

If I had the chance to do it again, I would be there within a second.

TOP ARTS
Ms Kim Wootton—Art Teacher

Top Arts is an exhibition presented annually by the National Gallery of Victoria to showcase outstanding work by students who have completed Art and/or Studio Arts studies in the Victorian Certificate of Education (VCE) in the previous year.

We are proud to announce that Glen Clancy (VCE Art) has been selected as one of the 43 artists from over 3,000 entries, to have his work on display at the National Gallery of Victoria. A further 72 students were shortlisted from the 3,000 entries, Laetitia Olivier-Gargano (VCE Studio Art) made this difficult cut.

Congratulations to both students.

Glen Clancy—Can I keep it?

VCE ART
FRANKSTON HIGH SCHOOL, YEAR 12 2013
Glen Clancy

My work evolved after visiting a Gibbon and Loris Sanctuary in Vietnam (World Challenge), and experiencing the illegal pet trade first hand. At the sanctuary, volunteers described how animals being prepared for illegal sale have their teeth pulled, ensuring they can't bite their new owners. This horrific practice leaves the creatures helpless, barely able to eat or fend for themselves, meaning it can never be saved and released. I was inspired by the emotional screams in Francis Bacon's works, Brett Whitely’s expressive linear style and also contemporary street artists like Two-one.

**Mrs Sally Bredin—inTune Director**

Frankston High School's Vocal Ensemble, inTune, performed for the first time this term at three school assemblies.

We would like to congratulate the students on their commitment to and enthusiasm for our school's vocal ensemble.

**JAPANESE VISITORS IN HARMONY**

**Ms Judith Guzys-McAuliffe—LOTE Teacher**

On Thursday, 21 March, our Harmony Day celebrations were enhanced by the melodic performance of visiting Japanese schoolgirl, Miss Moe Kogano. Her audience was so impressed by her skill with the guitar and her amazing voice, that several whipped out their phones and started filming!

Moe is visiting from Fukuoka Daiichi, which offers a nine month full scholarship to students from Frankston High School. Last year, Nikola Guzys-McAuliffe was awarded the scholarship and represented our school and our country at numerous public events.

This year two Frankston High students, Shona Sbo gar and Gizelle Johansson will attend Fukuoka Daiichi and represent us. Moe’s visit coincides with the visit from 30 Japanese girls from Osaka Seikei.

We will welcome more international visitors later in the year, in the spirit of extending our international understanding and enhancing the values celebrated by Harmony Day.

STUDENT SUPERVISION BEFORE AND AFTER SCHOOL

Teachers are on duty in the grounds on the 7—10 Campus from 8:30am before school and 3:40pm after school. On the Senior Campus, supervision is from 8am before school and until 3:40pm after school. Students should arrive at school after supervision begins unless they have scheduled class time or planned activity.

Please note some buses leave after the conclusion of yard duty. Students are expected to behave in a responsible manner when in school uniform, before and after school. The public often contact us to comment on the excellent behaviour of students in public areas.
Last Friday, SLC held their first Casual Dress Day for the year.

After receiving moving presentations from Ms Wootton and Ms Caldwell, the SLC students decided to choose Guide Dogs Victoria, an important organisation which provides Guide Dogs as aids for the visually impaired.

Through a Bake Sale held on both campuses, with goods donated by SLC students, the students managed to raise $3,005 by the end of the day. With this money we will be allowed to sponsor a puppy litter, a fantastic opportunity which will allow the school to receive updates and pictures on a regular basis.

Thank you to all staff and students who contributed to and supported this worthy cause.

SLC CONFERENCE
Masood Habib - Deputy School Captain

The SLC Conference this year was held at the Frankston Yacht Club, over two fun packed days in February.

This conference was organised by the fabulous and enthusiastic Mrs Bambridge, whose insightful information on leadership proved to be vital in the maturation of our leadership skills. As School Captains, we were given the opportunity to lead a group of students by dividing into groups and playing an array of team building activities. All the SLC members had the chance to suggest and vote for the charities that will be supported on Casual Dress Days. These include Guide Dogs Victoria, School of the Air, The City Life Café and Food Bank Frankston. We also got a chance to break into focus groups (social justice, marketing & environmental committee). Within these groups we planned, allocated roles and set goals for the SLC.

Whether it was the wealth of knowledge we walked away with or the new friends we made, it was clear that the students had an amazing time over the two days. Of course none of it would have been possible if it weren't for Mrs Bambridge and Ms Costanzo’s hard work to get the conference up and going, and the students who took the initiative to join the SLC.

Congratulations to the following Year Level Captains
Year 11 Captains: James Savage and Jordan Hay
Year 10 Captains: Bree Savage and Zoe Crouch
Year 9 Captain: James Lilley
Year 8 Captain: Emily Smith

HARMONY DAY
Marley Angus—School Captain

Once again, the SLC has organised their annual Harmony Day which aspires to unite students of all cultural backgrounds.

With the slogan 'Everybody belongs', the SLC invited students to come and celebrate their multiculturalism and diversity. Lunch and desserts were provided, the latter contributed by SLC members.

The day was a great success and there were even performances from Josie, the exchange student from Soweto on South Africa, and a Japanese exchange student, Moe Kogano. Both were fabulous examples of the celebration of merging cultures at our school.

Thank you to Ms Costanzo and Mrs Bambridge for their support.

SOWETO
HOST FAMILY PROGRAM
Ms Anne Thomson
Community Liaison Coordinator

Each year, Frankston High School sponsors one student from Letsibogo Girls’ High School in Soweto. We provide her with the opportunity of experiencing life and learning in a privileged environment that offers opportunities she may otherwise never experience. These girls utilise this experience with success when they return to South Africa. The student is selected according to her potential to graduate from school and progress with further tertiary learning and a fulfilling career.

We are asking that Frankston High School families consider hosting our 2013 Letsibogo student, Josie Matsau. Josie is completing Year 11 at Frankston High School and we are relying on the generosity of host families to provide accommodation and food for a 3-4 week stay.

Host families are needed from mid May for 3-4 weeks throughout 2013.

Please contact Anne Thomson on 0409 835 541 or email athomso@fhs.vic.edu.au for further enquiries.

APPLICATIONS FOR THE 2013—2014 PREMIER’S SPIRIT OF ANZAC PRIZE ARE NOW OPEN

The Premier’s Spirit of ANZAC Prize inspires young people to explore the ethos displayed by the ANZACs at Gallipoli and the Western Front and reflect on how those values apply in Victorian communities today. The Prize is open to students in Years 9 and 10 at all Victorian Secondary Schools.

State finalists have the opportunity to travel on an all expenses paid overseas study tour to sites of military and cultural significance to Australian servicemen and women. The study tour will take place during the Term 1 School Holidays in 2014. In addition, regional finalists will participate in a study tour within Australia.

Entry forms and further information, including successful entries, tour blogs and photos from previous years’ students, are available to view and download at www.veterans.vic.gov.au. The competition closes on Friday, 18 October 2013 and the lodgement of entries is encouraged throughout the year.
