DEAR PARENTS, STAFF, STUDENTS & FRIENDS

OUTSTANDING RESULTS: MELBOURNE BANDS FESTIVAL
Our talented school bands achieved their best results ever at the Melbourne Bands Festival. I felt very privileged to hear several of the performances and to listen to the judges speak so highly of our students’ skills and presence. The Senior Concert Band and the Senior Stage Band were both awarded Gold. The Junior Band and the Training Band were in non-competitive sections but performed beautifully and received great praise from their adjudicators. These results are a significant credit to our hard-working students but also to our dedicated staff. Mr Peter Sharp, Mr Leon De Bruin and Mr Simon Chiodo direct these bands, ably assisted by Mr Bob Winjschenk, Mr Michael Sword and Ms Kim Starr. Thank you also to the parents who provide their children and the school such great support.

HIGH RESOLVES PROGRAM
All of Year 8 have been involved with the High Resolves program. The High Resolves Initiative is a not-for-profit, non-religious educational program that seeks to motivate high school students to view themselves as purposeful global citizens and to acquire the skills they will need to lead their communities, and the world, to a brighter future. The program is delivered through a creative mix of interactive simulations, role-playing exercises and small group discussions to help them to emerge as leaders working to improve their schools and to serve society.

Consistent feedback has shown that the High Resolves Initiative leaves an indelible mark on students: that their choices matter and that they can change the world. After their initial session, students gave feedback like “Today gave me a better understanding of how we are all one world, one people” and “it doesn't matter where people are from, it is about doing what is right.” There will be another session in Term 4.

A special thank you to Ms Suzanne Caldwell for initiating the program and to Mrs Sue McGavin for all the many hours she spent organizing the sessions and preparing tutorial teachers. Thank you also to the Wellbeing Team and Tutorial Teachers for their support.

STUDENT ATTITUDE TO SCHOOL SURVEY
Frankston High School recently received feedback from the Students’ Attitude to School survey. This is a survey given to all students across the state on an annual basis to assess their view of their school. In comparison with other schools, students at Frankston High School reported particularly that they feel very safe at school; they find students motivated in class and they feel connected to the school. All in all, it was a very positive view of the school and our teachers.

PARENT TEACHER INTERVIEWS
Senior School parent/teacher interviews will be held on Wednesday 19 October from 4.00 pm – 7.00 pm. Appointments can be made on our parent teacher online booking system.

PERFORMANCE AND ORAL EXAMINATIONS
Students in studies with a performance or oral component have been given a timetable for these examinations. Any student who has not received a timetable should see Mrs Granger immediately. The examination period begins on Monday 10 October and ends on Sunday 6 November. Students should arrive at their examination half an hour before the scheduled start time and must have photo identification with them. Good luck to all students involved.

PRACTICE YEAR 12 EXAMINATIONS - SEPTEMBER HOLIDAYS
A reminder to parents and students that practice Year 12 exams will take place during these school holidays. Attendance is compulsory and each Year 12 study will have an exam. The examinations commence on Friday 30 September and conclude on Friday 7 October. This is an invaluable initiative to provide feedback to students on their examination performance and devise strategies for improvement in preparation for the official VCAA Year 12 examination period commencing on Thursday 3 November.

FIT TO DRIVE PROGRAM – YEAR 11 STUDENTS
On Tuesday 18 October all Year 11 students will be participating in a Fit to Drive Program. This half-day program will assist students to understand what is required to be a safe driver and identify the risk-taking behaviours that lead to accidents. The program consists of practical workshops and group presentations and aims to reduce the horrifying road toll and trauma among younger drivers.

CENTRAL AUSTRALIA/DARWIN TOUR
I would like to wish the 80 Year 11 students who are embarking on the Central Australia/Darwin tour on Thursday 15 September all the best for a fantastic trip. I am sure they will have a wonderful time and will have life-long memories of this adventure. A special thank you to Mrs Anne Thomson who has overseen the organisation of this tour and Mr Greg Heale and all staff attending the trip for their excellent work in ensuring the trip is an outstanding success.

YEAR 12 VALEDICTORY DINNER
The Year 12 Valedictory Dinner will be held on Wednesday 26 October (Week 3 of Term 4) at The Bayview Eden, Albert Park from 7.00 pm to midnight. Students should have finalised their tickets and tables as catering numbers need to be confirmed. I would like to thank Mrs Granger and Ms Challenger for their excellent organisation of this night. I look forward to seeing Year 12 parents and students at this important event.

PARENT OPINION SURVEY
Thank you to the parents who participated in the recent Parent Opinion Survey. Our ‘CASES21’ computer program, randomly selected 15% of our families to participate in this survey.

The survey responses are confidential and are sent to an independent organisation that collates the data. This data will be used to enable the school to celebrate success as well as identify areas for improvement. Your participation in this important process is greatly appreciated.

DAVID BURGESS FOUNDATION
The foundation aims to assist young people from State Secondary Colleges, who have had to struggle to overcome adversity, who have shown commitment to their goals and those of the community and so, with some help, will achieve those goals.

The foundations will make annual awards to Year 12 students who gain entry to tertiary courses at Victorian Universities or TAFE Institutes. Under this scheme each award winner may be eligible to receive up to $3000.00 each year towards the cost of his/her course, as well as support and guidance from mentors and assistance with finding part-time jobs.

The foundation aims to help financially disadvantaged students, with little or no support system of their own, to make the transition from a supportive school environment to a tertiary educational setting.

If you are interested in applying, please see me.

DOXA HOLLINGWORTH CADETSHIP PROGRAM
This program is designed to provide disadvantaged youth who have satisfactorily completed their Year 12 studies, with the opportunity to pursue university education and gain future employment.

The Doxa Cadetship provides:
- Financial assistance
- Work experience with a corporate organisation
- A mentor
- Book allowance
- Professional and personal development

If you are interested in applying, please see me.

KWONG LEE DOW YOUNG SCHOLARS (KLDYS) PROGRAM AT THE UNIVERSITY OF MELBOURNE
The KLDYS Program is aimed at giving talented students an insight into life at The University of Melbourne and to motivate and encourage them into considering going to university. Nominations from current Year 10 or Year 11 students will be called for by early Term 4 for inclusion in the 2012 Program.

In addition to the KLDYS Program there are a range of scholarships available for international and local students who intend on studying at The University of Melbourne. Please see me for more information. You can seek information about such scholarships at www.unimelb.edu.au/scholarships

I wish all students and parents a relaxing holiday break. It is important that Senior Students use these two weeks to revise thoroughly for their upcoming examinations. I would like to take this opportunity to thank our Senior School teachers who have made themselves available to hold revision lectures during these holidays and to mark and provide feedback to Year 12 students on their practice exams.

Our Year 12 cohort have now had two ‘i-support’ sessions on a Tuesday afternoon focused upon ‘how to efficiently apply for tertiary studies in 2012’. Many students missed these sessions and have not received the information required. It shall be their responsibility to obtain a copy of the booklet ‘ABC of Applying’ from the Careers Library and ‘get applying’. 

To support families needing further information about the application process there will be a VTAC Parent Information evening on Thursday 15 September. This will be held in the Senior Resource Centre at 6.30 pm.

**SENIOR GIRLS SOCCER**

**Mr Paul Don - Soccer Coach**

On Monday 8 August the Senior Girls Soccer Team competed in the Southern Metropolitan Region. The finals were played at Bentleigh Greens Soccer Club, with the opportunity of reaching the final eight teams in the State.

The day started slowly with a 2-1 loss to MacRobertson Girls High School after a 1-0 lead at half time. To the players’ credit with the next game against Hallam Secondary College, a dedicated sports school, they rallied and in an enthralling game won 1-0 to give them a chance of progressing to the next round.

Their final game was against Sandringham College with a win needed for our team to continue in the competition. It was an extremely fast game with both teams having their chances and Frankston High School taking the lead in the second half. Unfortunately with five minutes remaining Sandringham scored a very good goal drawing the game 1-1. Hallam were the eventual winners on the day.

The team should be extremely proud of the way they played all of the games scoring around 35 goals for the campaign and conceding only three. Goals on the day were scored from some great strikes by Annie Remman (Year 11) and Deanna Jolliffe (Year 12), with Madeleine Tilly (Year 12) pulling off some acrobatic saves in goal. All players represented Frankston High

**PFA MEETING**

**Mrs Annette Wallace - President**

All are welcome to our next PFA meeting which will be in the Conference Room, 7 - 10 Campus, at 7.30 pm on Tuesday 13 September. Our guest speaker will be Mrs Cathy Hogg who will be speaking about our South African sister school, Letsibogo Girls High School.

On Friday 23 September the Year 7 Billy Cart Derby will be run and The PFA prepares lunch for the Year 7 students. We require parents to help serve lunch on this day so if you are available to assist please contact Annette on 0407 822 399.

Looking forward to seeing you.
LEADERS IN ENVIRONMENTALLY SUSTAINABLE SCHOOLS
Mrs Sue Robinson - Sustainability Coordinator

On Wednesday 24 August I accompanied a great group of students to a new local initiative. We were invited to a forum for students interested in environmental issues organised and jointly run by Frankston City Council and the Mornington Peninsula Shire. The sessions were run by an enthusiastic young worker from CERES (Centre for Education and Research in Environmental Strategies).

Schools attending were:
- Dromana Secondary College
- McClelland Secondary College
- John Paul College
- Rosebud Secondary College
- Elisabeth Murdoch Secondary College
- Westernport Secondary College

The students who represented Frankston High School were:
- Kimi Pellosi Year 12
- Emma Boyd Year 11
- Laura MacNeil Year 10
- Darcy Hill Year 10
- Kira Hunn Year 9

Students had ample opportunity to discuss what issues are important in their respective schools and to plan ways to tackle environmental problems. Our group decided that waste reduction will be our primary goal, starting with paper then moving on to plastics, cans and eventually organic matter.

As usual I was very proud of the way that our team conducted themselves. It was great to see so many young people so passionate about improving the world around them.

GREAT VICTORIAN BIKE RIDE
Mr Mal Burt
Ride Coordinator

In 2009, Frankston High School took a highly motivated group of students on The Great Victorian Bike Ride. The event was a great success, with students riding over 500km in 10 days. The sense of personal and group achievement was huge and the students involved gained self-confidence, leadership skills and a greater understanding of effective team work.

In late November 2011, Frankston High School is once again participating in this event. We have successfully signed up over 30 participants, including 25 students and a number of staff and parents. The 2011 Great Victorian Bike Ride will take place over nine days and cover more than 590km from Swan Hill to Castlemaine. It will be an amazing and unforgettable experience for all participants.

The students involved have all made a solid commitment to attending twice weekly training rides in the lead up to the event and many have invested in new bicycles to ensure that they can successfully complete the ride. Of course, there are other costs involved in participating in such an event. Through fundraising and sponsorship we hope to assist the students with costs, which include: manufacturing the Frankston High School riding jersey.

If you or your company believe you can assist in any way, whether it is through financial support or supplies, we would greatly appreciate you contacting the Ride Coordinator, Malcolm Burt, via email (mburt@fhs.vic.edu.au) or by calling the school (9783 7955). We will gladly acknowledge any sponsorship or contributions through the school newsletter and website and/or on the team jersey.

Once again, thank you for supporting the Frankston High School Great Victorian Bike Ride team.

MELBOURNE BANDS FESTIVAL

Congratulations to all our bands on their fantastic performances at the Melbourne Schools Bands Festival. The Senior Concert Band and Senior Stage Band both received gold, an outstanding effort. The Training Concert Band and Junior Concert Band were in non-competitive sections but both bands received ‘outstanding’ for their performances, some of the highest marks we have ever received in these sections. All bands sounded truly amazing and were very worthy of these high marks.

Our band members are:

**Training Concert Band**

**Junior Concert Band**

**Senior Concert Band**

**Senior Stage Band**

**PRAGMATIC TRAINING**

Congratulations to [James Dal-Ben](Year 12) who performed for the industry training group’s ‘Pragmatic Training’ awards ceremony on Wednesday 24 August. James provided a thirty minute solo program for their network meeting which was enjoyed by everyone present.

**AMATEUR WINE GUILD**

Congratulations to our Senior Stage Band who, in the words of Mr De Bruin, gave one of their finest performances ever at the annual Amateur Wine Guild’s Judging Festival at the Briars, Mornington, on Sunday 28 August. The band really wowed the audience and added something special to beautiful day.

**COMING UP**

**Cabaret Night**

Music Centre, 7.30 pm, Friday 16 September. Once again the Music Centre will be converted into the “Purple Pit” night club for an entertaining evening which will showcase a great line up of big bands, small groups, singers, past students and guest artists. Tickets $10.00 per person, booking through the Music Centre.

**End Of Year Concert**

Our end of year concert will be held in the Frankston Arts Centre on Wednesday 2 November. The concert will feature all our ensembles plus solo performances from our VCE 3 and 4 students. Tickets on sale at the start of Term 4.

If you have a payment to collect please visit the Uniform Shop during trading hours before close of business Thursday 22 September 2011.
FRIDAY 23 SEPTEMBER 2011
The Year 7 Billy Cart Derby is an annual event at Frankston High School. Each year classes compete for the “Blade Barrett Billy Cart Memorial Trophy” in memory of Blade Barrett. Blade was a student at Frankston High School when he tragically died in an accident in 2000.

Year 7 students receive lunch with the help of the Frankston High School PFA (Parents and Friends Association) and the Junior Tutorial Program. There will be prizes for the best class “cheer squad” as well as prizes for the class completing the derby race in the fastest time.

Each class will organise students to be pushers and drivers, using the school Billy Carts. All drivers MUST BRING THEIR OWN HELMETS on the day.

Parents are welcome to attend. The derby will be held on the basketball court. It starts at approximately 1.35 pm and will finish at 2.20 pm.

For details please contact Sue McGavin at the school.

CHAPLAIN’S CHAT
The following excerpt comes from an article in Inspire (Department of Education and Early Childhood Development magazine) June 2011 edition...

Supporting The Emotional Needs Of Young People
The one-to-one emotional support and moral guidance offered to young people by school chaplains is essential to the wellbeing of any school’s student body.

School chaplains can form an integral part of a school’s student wellbeing team. As part of their role, chaplains work with school leaders, teachers and other school-based professionals to develop and deliver programs related to a range of health and wellbeing issues such as social skills, improving self-esteem and anger management.

They can also play a key role in supporting whole-of-school-strategies to ensure all students can access their learning in a supportive environment, proactively engaging young people in student leadership and peer support activities.

As part of the 2011-12 State Budget an additional $200,00.00 a year has been allocated towards the existing school chaplaincy program. Minister for Education Martin Dixon said school chaplains may bring many benefits to students struggling on a social or emotional level. ‘Chaplains work with students and their families to help them deal with bullying, disengagement, bereavement, trauma, difficult relationships, family breakdown and other emotional challenges,’ Mr Dixon said.

The Shopping Tour is on Saturday 22 October
Lots of outlets and always great bargains.

We will visit 10-12 outlets across Melbourne and it is a great opportunity to get your Christmas shopping underway.

Cervical Cancer Vaccine

Cancer Council Victoria is implementing a communications initiative that aims to increase HPV vaccine course completion of girls in Year 7.

The HPV - or human papillomavirus - vaccine has been provided to girls in Year 7 since 2007 as part of the National Immunisation Program. The HPV vaccine protects against four types of HPV which cause around 70 per cent of cervical cancers. It is important for all girls to complete the full course to ensure the best possible protection against the disease and other HPV-related illnesses.

Girls in Victoria who commence the HPV immunisation course in Year 7 have two years, or until the end of Year 8, to complete the course free-of-charge. After that time, any missed dose must be purchased from a health service provider at a cost of approximately $150.00 each.

In order to increase uptake and completion of the immunisation course within the government-funded school program, it’s imperative that we continue to educate girls and their parents on the importance of the vaccine in helping to prevent cervical cancer and other HPV-related illnesses, and to remind them of the two year time restriction they have to receive this service at no cost.

If you need more information:
Visit www.cervicalcancervaccine.org.au or phone the Victorian Department of Health immunisation section on 1300 882 008. You can also call the Cancer Council Helpline on 13 11 20.

Working Bee!

Sunday 11 September 8.00 am - 12.00 pm

Your help is needed please!

On Sunday 11 September the Grounds Committee is holding a working bee from 8:00 am until 12 noon. We are requesting that, if possible, parents, students and staff assist in the completion of a number of grounds projects around the school.

Our working bees for 2011 have been extraordinarily productive. The work completed has made such a difference to the grounds.

For this working bee we are planning to do a lot of planting, painting and repairing wooden borders in the Junior School Quadrangle. We also want to make a start on the garden next to the new Science building.

At the end of the working bee there will be a light thank you lunch provided for all the people who have donated their time to assist in this activity.

Please register on line at www.fhs.vic.edu.au if you are able to attend the working bee. Alternatively telephone the General Office on 9783 7955, or email office@fhs.vic.edu.au by 10 September 2011.

Thanks
