DEAR PARENTS, STAFF, STUDENTS AND FRIENDS

MESSAGE FROM THE PRINCIPAL

As you would know from the last newsletter in Term 3, John Albiston has retired as Principal of Frankston High School. We want to acknowledge the outstanding work he has done at the school especially in the area of Teaching and Learning. Our data has consistently improved in every area and teachers are very focussed on reviewing and further improving our teaching practice. Despite the size of the school, John knew most students by name and enjoyed chatting to them about their activities and interests. In all of his decisions, he put the overall needs of the students first. We want to thank John for his strong commitment to Frankston High School and his tireless efforts to ensure it continued to be one of the leading government schools in Victoria.

I am looking forward to leading the school this term as Acting Principal. The process for selecting a substantive principal is in motion. It is a time-consuming and complicated process, but we should be able to announce the name of the successful candidate in early December.

ADVENTURES IN CENTRAL AUSTRALIA

Teachers and students have spoken most enthusiastically about their wonderful visit to Central Australia, Kakadu and Darwin. The students were consistently praised by locals and fellow travellers for their good manners and excellent behaviour. I want to thank the teachers who sacrificed their personal time, particularly during school holidays, to support the students on this trip. Staff and students were wonderful ambassadors for Frankston High School and I know this trip is one students will remember all of their lives. A special thank you to Mr Greg Heale for his exemplary leadership as the teacher in charge of the trip and to Mrs Anne Thomson for her excellent organisation of it. I also want to thank all of the teachers: Mrs Adrienne Shepherd, Ms Jess Lyons, Miss Kristie Vidotto, Ms Georgia Cameron, Ms Lauren Costanzo, Mr Heath Booth and Mr Simon Hast.

TRAVELS TO FRANCE & JAPAN

There were two important overseas trips which took place these school holidays, one to France and one to Japan. Both of these trips were highly successful with students experiencing other cultures and enjoying wonderful homestay opportunities. Not only do these trips assist students with their language development, they also help them gain greater maturity and independence.

As a school, we are very proud of the way these students represented Frankston High School. Their behaviour was excellent and their enthusiasm was contagious. A special thank you to Mrs Sally Bredin, for organising the French trip, Ms Helen Wilson for leading it and Ms Lisa Pieropan for all of her assistance. Ms Judith Guzys-McAuliffe was also instrumental in organising the arrangements with our sister school in France. A special thank you as well to Mrs Seona Black for organising the Japanese trip, to Ms Lee Anne Smith for leading it and Mr John Angus and Ms Judith Guzys-McAuliffe for their great support on the trip.

We are looking forward to visits from French and Japanese students next year and returning their great hospitality.
YEAR 12 HOLIDAY EXAMS PREPARE STUDENTS FOR FINAL EXAMS

Year 12 students took part in VCE practice exams over the school holidays. This is excellent preparation for the Year 12 exams which begin in November allowing students to hone their exam techniques. The student attendance at these practice exams was excellent. I would like to wish every success to our Year 12 students as they continue their final preparations for exams. These last few weeks are critical in ensuring they fully know the required content and how to apply it. Thank you to **Mr John Albiston** for giving up his time to supervise these exams.

**Cathy Hogg**  
Acting Principal

HOST FAMILY URGENTLY NEEDED FOR 3 WEEKS

Each year Frankston High School sponsors a student from Letsibogo and provides her with the opportunity of experiencing life and learning in a privileged environment that offers opportunities they may otherwise never experience, which they utilise with success when they return to South Africa. The student is selected according to her potential to graduate from school and progress with further tertiary learning and a fulfilling career.

We are asking that Frankston High School families consider hosting our 2012 Letsibogo Girls’ High School student, Calista Madlala, for three weeks from Sunday 28 October to Sunday 18 November.

Calista is completing Year 11 at Frankston High School and we would be relying on the generosity of a host family to provide accommodation and food.

Please contact Anne Thomson on 0409 835 541 or email athomso@fhs.vic.edu.au for further enquiries.

SENIOR CAMPUS NEWS  
Ms Helen Wilson  
Senior Campus Principal

WELCOME BACK

Welcome back to what is a critical and very busy time of year for our Senior School students.

I have had the pleasure of leading the school trip to France from 19 September to 9 October. The 26 students who participated in the trip were excellent ambassadors for Frankston High School and their behaviour was exemplary. Our trip involved seven nights in Paris, followed by a tour of the north of France including Villers Bretonneux, Normandy, Bayeux, St Malo and the Loire Valley, finishing with an Orleans homestay.

Whilst in Orleans we visited our sister school, Lycee Jean Zay, and the students had the opportunity to give a presentation on school-life in Australia and to attend classes. I would like to extend a sincere thank you to the Principal, **Madame Richard**, and the staff for allowing us to visit and strengthen our ties as sister schools. I would also like to thank the school community for hosting us for the week and sharing their homes and culture with us. I am sure life-long friendships have been formed and we look forward to returning the hospitality when the French students visit us at Frankston High School.

Thank you to **Mrs Sally Bredin** for her outstanding organisation of this trip and for her expert translating from French to English in the many conversations we encountered. Thank you also to **Ms Lisa Pieropan** for her invaluable assistance on the trip and the setting up of the Facebook page, allowing parents to share in the experiences of their children.

YEAR 12 PRACTICE EXAMS

I would like to thank all students and parents for the overwhelming support for the Year 12 practice exams which were held over the September holiday period. This program was an outstanding success and I hope it is a valuable learning experience for students in terms of perfecting exam techniques and time management. It is now important for students to act on the feedback which has been provided by their teachers to further improve their learning outcomes and examination performance.

A special thank you to **Mr John Albiston** and **Mrs Cathy Hogg** who supervised the operation of the exams during the holiday period, ensuring their success.

I would also like to thank the supervisors who assisted with the exams, in particular **Mrs Bev Valentine**, who worked tirelessly to ensure the exams ran efficiently and under VCAA guidelines. I would also like to acknowledge the extra work and dedication of our Year 12 teachers in the setting and marking of these practice exams.

YEAR 11 CENTRAL AUSTRALIA TOUR

Another successful tour of Central Australia and the Northern Territory has arrived home safely with students and staff reporting on a memorable and enjoyable trip.
Congratulations to the students; you were excellent ambassadors for Frankston High School. I am sure you gained an invaluable appreciation of Australian culture and will have life-long memories of this tour. Thank you to the staff involved, under the leadership of Mr Greg Heale, who gave of their personal time and worked tirelessly to ensure the success of the trip - their commitment and dedication is outstanding. Thank you also to Mrs Anne Thomson for her excellent organisation of the trip.

EXAMINATIONS
We have now reached the most critical time of year. Year 12 students have less than one week of class time left and Year 11 students have four weeks before their exams. All students should have implemented a comprehensive study plan/timetable to prepare for their examinations. Some useful hints for exam preparation:
- Prepare summaries in your own words and use pictures, tables and graphs to help you remember the theory;
- Highlight the key words that you need to remember and create the theory;
- Work with a study partner and ask each other questions about the notes or explain the concepts to another person (parents come in handy here!);
- Study in blocks of time eg 50 minute blocks followed by a 10 minute break;
- Practice as many past exam papers as possible so you get used to the timing and types of questions examiners ask;
- Don't cram before exams; a bit each day is a much more effective way to learn;
- Establish a regular routine in studying, eating, exercising and sleeping;
- Study and sit previous years’ exam papers at home at the same time as the end of year exam;
- Don’t stay up all night; it’s not an effective way to learn.

I would like to remind parents and students of the Elevate presentations, where the importance of completing past exam papers was stressed. The presenters stated that a critical component of student success in Year 12 is completing past exam papers under timed conditions and receiving feedback from teachers on their answers. As a minimum, five—six practice exam papers should be completed per subject; based on research, the top students in each study are completing 20-30 practice exam papers and meeting with their teachers to receive feedback. Students should also be reading the Assessment Reports on past exam papers which are available at www.vcaa.vic.edu.au

PERFORMANCE AND ORAL EXAMINATIONS
Students in studies with a performance or oral component have been given a timetable for these examinations. Any student who has not received a timetable should see Mrs Granger immediately. The examination period began on Monday 8 October and ends on Sunday 4 November. Students should arrive at their examination half an hour before the scheduled start time and must have photo identification with them. Good luck to all students involved.

2013 PRODUCTION
GUYS & DOLLS
Miss Kristy Vidotto – Director

We are proud to announce the production for 2013 is ‘GUYS AND DOLLS’, a musical comedy that is set in 1950’s New York City. Illegal gambling is rife in the big city, much of it happening in underground bars or after hours shops. Nicely-Nicely Johnson, Benny and Harry are led by the charming Nathan Detroit, who prides himself on organising craps games to bring in the big bucks.

After news spreads that big name gambler, Sky Masterson is back in town, Nathan Detroit is more eager than ever to organise a gambling meet. Unfortunately he needs a thousand bucks to guarantee a place to stage it. He therefore challenges Sky to a bet - convince a “doll” to accompany him on a trip to Havana, Cuba or Nathan wins $1,000. Nathan deliberately chooses Sarah Brown, a kind hearted mission worker whose aim is to eradicate all sin in the city with the help of her fellow missionaries. Sky takes Nathan up on the offer and gets more than he bargains for.

Meanwhile, Nathan’s devoted fiancé of 14 years Adelaide is growing increasingly frustrated by having to wait so long to get married - especially when she’s already told her mother she is married with five kids! Working at local bar the Hot Box, she and her friends hate Nathan gambling and start to wonder if their relationship is really worth it.

This show is a battle of the sexes as the characters roll the dice, dream big and gamble everything to find the big bucks- and maybe a chance at real love.

All students from Years 7 – 12 are encouraged to audition for the show – we have a variety of roles including main, supporting, chorus and dance troupe.

Audition times are as follows:

WEEK 3 of Term 4
Monday 22 October: 3:30pm—5:30pm
Tuesday 23 October (chorus only): 3:30pm—5:30pm
Wednesday 24 October: 3:30pm—5:30pm

WEEK 4 of Term 4
Tuesday 30 October: 3:30pm—5:30pm
Wednesday 31 October: 3:30pm—5:30pm

ALL AUDITIONS WILL BE HELD IN THE DRAMA ROOM. Students can see Miss Vidotto or Mrs Gibson to sign up

**FRENCH TRIP 2012**  
*Ms Sally Bredin*

The 2012 French trip was an unforgettable experience for the 26 lucky Frankston High School students and three staff who had the opportunity to explore France and immerse themselves in the rich culture. Across the first week we discovered the beauties that Paris contains. As a group we saw the iconic La Tour Eiffel, captivating museums such as the Louvre and the Musée d’Orsay, the Arc de Triomphe, Montmartre, the magical Disneyland and shopping along the Champs des Elysées.

During the second week we travelled across the countryside of Normandy and Brittany, visiting beautiful medieval towns and villages. Places such as Bayeux (for its famous tapestry of the Battle of Hastings), St Malo and Rouen allowed the group further opportunities to see amazing sights.

The third week was spent in Orleans with our host families where we discovered typical family life in France (la vie quotidienne). A big thank you to Emily Maxwell-Gould and Brianna Wright who made a presentation of our school for the classes at Lycée Jean Zay. We also discovered the beautiful Loire region with its beautiful chateaux, in particular, Chateau Chenonceau with its beautiful furnishings and gardens. This trip will remain long in the memories of the students and staff and many were able to make lifelong friendships with their hosts.

**Sammie**

**OUR GUIDE DOG VICTORIA PUPPY**

Frankston High School will be working with Guide Dogs Victoria assisting a staff member who has applied to be a volunteer Puppy Raiser from the start of Term 4. Ms Kim Wootton, a member of the Visual Art Faculty, collected Sammie during the first week of the school holidays.

At seven weeks of age, puppies bred at Guide Dogs Victoria are placed for one year with families known as Puppy Raisers. Puppy Raisers are dedicated volunteers who commit themselves to socialise the pup in all aspects of social behaviour. With the support of Guide Dogs Victoria staff, volunteer Puppy Raisers socialise the young pups until they are approximately 12-14 months of age. While living with the puppy raising family, the pups will be house trained and learn how to walk correctly on a leash. Puppy Raisers provide the young pups with a wide range of social experiences they are likely to encounter during training and subsequent work as a Guide Dog.

Sammie has had a great start to term and has settled well into school life. She spends most of her time in the Art Room with Ms Wootton, but can be seen out with her Puppy Captains. The following students have been successful in their application to be a Puppy Captain, as they have demonstrated a capacity for being responsible, caring and disciplined: Alex Nolte, Taighn Newcombe, Laura Sveicere, Jasmine Kreinburg, Jaimee Lee Sullivan, Heide Waite, Brianna Hook, Keely Moore, Zahlee Hunn, and James Davis. When you see Sammie on her lead, try to ignore her and please, do not attempt to pat her, she is working. At other times she is allowed to socialise.

CENTRAL AUSTRALIA TOUR 2012
Mr Greg Heale—2012 Camp Leader

Half way through September, 81 Frankston High School students and eight staff embarked on the 17 day trip of a lifetime to Central Australia, right through the heart of the Northern Territory, all the way to Darwin.

We travelled in luxury coaches, driven by the legendary Geoff and Dave from Bayside Coaches. Our stomachs were never empty thanks to our cooks Lorraine and ‘Chez’. Our sincere thanks go out to all of them for making the trip possible, so much fun and memorable.

Some of the many highlights and memories we all share include paddling through Katherine Gorge, swimming in the numerous pools and waterfalls on those extremely hot days, the wildlife and beauty of Yellow River in Kakadu, the awesomeness of the infamous rock, Uluru, and of course the crocodiles.

Our students represented Frankston High School exceptionally well. Staff members regularly received praise and positive feedback from members of the public everywhere we stayed. One evening at King’s Canyon, Frankston High School students took over ‘The Roadies’ stage show, singing and performing karaoke to a packed house who were extremely impressed by our student’s talent, humour and sense of community. It was a very proud moment for staff. Geoff, one of our driver’s communicated after the trip: “The bus packers, duty groups and the way all the students conducted themselves is an absolute credit to the school and also to themselves.”

My sincere personal thanks goes out to the students who came along and the staff members who made up such a fantastic 2012 team: Adrienne Shepard, Georgia Cameron, Lauren Costanzo, Kristie Vidotto, Jess Lyons, Heath Booth and Simon Hast. Your energy, positivity, personalities and professionalism are greatly appreciated. A special thank you to Anne Thomson for working so hard behind the scenes so that we could enjoy this amazing trip.

Also a special thank you to student teacher Adam Greig who gave up his own personal time to join us on the tour and who was of tremendous help.

HOLIDAY AND FESTIVAL ASTHMA TRIGGER WARNING

The upcoming holiday season and festivities planned during Term 4 and throughout the summer holidays may mean that your child is exposed to new triggers for their asthma. It is important for parents and carers, and children themselves, to be aware of changes to their environment and the activities that may impact on their asthma.

Christmas trees, both real and artificial, could be triggers for people with asthma. Artificial trees may be quite dusty after being stored away, while both real and artificial trees may harbour mould. It is important to ensure that artificial trees are cleaned appropriately and that care is taken to select real trees that do not produce wind-borne pollen. All tree and other decorations should be cleaned and free from dust and mould when used at home. Scented candles, room deodorisers and air fresheners may also trigger asthma in those susceptible to perfumes, and care should be taken when purchasing these and other scented items at home.

Lastly, the added pressures of the year drawing to a close can cause stress and anxiety for many people, potentially triggering asthma attacks. It is important to consider ways that the whole family can enjoy the holidays and feel safe happy and comfortable.

For further information, please contact the Asthma Foundation of Victoria on 1800 645 130 or email schools@asthma.org.au
