DEAR PARENTS, STAFF, STUDENTS & FRIENDS

STATE ATHLETICS CHAMPIONS!! 15 YEARS IN A ROW: AN ACHIEVEMENT BEYOND WORDS!
Due to the new SSV (previously VSSSA) sporting system we competed at the State Finals recently, believing that our chance of achieving the title was highly unlikely. Well it just goes to show what you can achieve when you have a team of staff and students who say ‘NEVER SAY NEVER’. Apart from me requiring a new pace maker from the excitement, we are all over the moon with this sensational achievement. I am in awe with respect to the dedication of our Semper Squad; each student had trained with great determination, resulting in best possible performances on the day. I would like to thank all our students who participated in the House Sports, then Division (previously District) and onward to Region, culminating in the State Championships. Thanks so much to the enthusiasm and leadership provided by our great team: Ms Deb Anderson, amazing Director of Sport, and sensational Semper Squad coaches - Ms Chloe Edwards, Mr Mal Burt, Mr Glenn Fischmann, Mr Nathan Deslandes, Mr Phil Williams and Ms Holly Mathers; also to our tireless AFL trainee Ms Kirsty Reaks.

VALEDICTORY DINNER – SAYING FAREWELL TO THE CLASS OF 2011
A few weeks ago we farewelled our Year 12 class of 2011 at the Valedictory Dinner. This group of students represent a significant milestone in my life. This is because it was six years ago in 2006 that we started together at Frankston High School. We shared mixed feelings of nervousness and excitement as we adjusted to a new school setting. For me, it has been an absolute pleasure to have watched this generation of students grow and develop to become fine young men and women. As they are the first generation of Frankston High School students I have known for their entire secondary school life, they will always hold a special place in my heart.

All of us at Frankston High School are immensely proud to have touched the lives of these wonderful students. Our future is certainly in great hands with such outstanding graduates leaving our remarkable school. I wish our Class of 2011 all the very best in their exams and whatever they wish for themselves in the future.

SENIOR SCHOOL PARENT/STUDENT/TEACHER INTERVIEWS
The recent Senior School parent/student/teacher interview evening was well attended by parents and students. Teachers were able to provide high quality feedback to parents and students as they make the best of the last few weeks of the year, preparing for exams. It is important to remember that if students really apply themselves to their studies over the next few weeks then this can make a significant difference to their final results. Don’t make excuses and run away from the challenge - work hard, do your best and you will be rewarded.

END OF YEAR CONCERT: ANOTHER SPECTACULAR EVENING!
Congratulations to all our Instrumental Music and Music teachers and, of course, our wonderful music students for providing such a sensational End of Year Concert last week. All performances were nothing short of brilliant and are a tribute to the hard work, dedication and talents of this wonderful team of teachers and students. The quality of the performances stirred my emotions, making me feel most privileged to be Principal of such an extraordinary school.
SUBMISSION FOR COMMONWEALTH FUNDING OF CHAPLAINCY PROGRAM
I invite all interested school community members to our next School Council meeting on Tuesday 15 November 7.30 pm to consider whether the School applies for Commonwealth funding to support our Chaplaincy program. If this application is submitted we would hopefully be able to continue with Ms Linda Hughes providing her exceptional Chaplaincy services for our school community. Ms Hughes has worked tirelessly in supporting our students and families at times when they have been faced with personal challenges.

CYBERSAFETY INFORMATION EVENING
Whilst the use of the internet has provided our young people with wonderful learning opportunities we are now becoming aware of the serious risks that they are potentially exposed to. Every parent shares the same concerns about the dangers of Facebook and how to act responsibly to support their children in staying safe. Last Wednesday we held a cybersafety evening with guest speaker Mr Brett Lee. Mr Lee, as a former top policeman has alarming stories of the dangers of teenagers using the internet in an uninformed manner. Mr Lee had great tips for how parents can support their children in enjoying social networking in an appropriate manner. Thank you to Mr Greg Heale who organised this very informative evening and to all parents who attended.

As this newsletter goes to print the very successful Artfest will be coming to a close. No doubt everyone who attended admired the diverse display of magnificent artworks our talented students have created throughout 2011.

SENIOR CAMPUS NEWS
Ms Helen Wilson
Senior Campus Principal

Official classes for our Year 12 students concluded on Wednesday 26 October. Our Year 12 Class of 2011 can be proud of their work and achievements. We have seen this group of students achieve outstanding results in academic performance, in work practices and in extra-curricular activities, as well as provide leaders in student activities, sport, music and community involvement. The VCAA examination period commenced on Thursday 3 November and will conclude on Wednesday 23 November. Our exam supervisors have commented that this year’s students have been the best they have supervised over the years. Congratulations to all Year 12 students on the perfect start to their exams.

I am sure this is due in part to the practice exams held over the September holidays and the high expectations communicated by Year 12 teachers. It has been very pleasing to see the high number of students who have been at school meeting with their teachers, attending revision lectures and completing practice exam papers. Thank you to the Year 12 teachers who give freely of their time and work diligently in assisting students, marking practice exams and holding revision lectures to assist students in preparing thoroughly for these exams.

Senior Students are encouraged to put in their optimal effort and see their teachers for additional assistance during this study time. Revising effectively can make all the difference to the final study scores.

Some tips for managing exam time effectively are:
- Use your reading time productively. During this time decide the order of questions you will complete and use this time to plan how you can organise a timeline to complete all questions in the given exam time.
- As you are responding to questions jot down ideas that come to mind for answering other questions, in the margin against such questions. When you finally get to these questions they will be easier to complete and you won’t have forgotten these ideas.
- You are required to remain in the exam for the entire period of time. Make sure every second of your exam time counts. Use this time to complete every question. It is not as useful to only complete a few questions perfectly because each question is worth a limited amount of marks: you need to complete all questions. If you don’t know an answer to a question, use some information in the question to write a response. The alternative is getting no marks if you do not respond to a question.
- If you finish an exam early don’t just sit there and look around the room. Review all your questions and answers and make sure you have answered each question thoroughly. You will find this time useful in being able to improve upon your answers.

I wish all Senior School students the very best for their upcoming exams.

VALEDICTORY DINNER
On Wednesday night (26 October) we farewelled our Year 12 students at the Valedictory Dinner held at The Bayview Eden, Melbourne. Over 600 people attended the dinner and many awards were presented. Seeing these wonderful young adults completing high school was a proud moment for many of us.
It is hard to believe that six years ago they were only 11 or 12 year olds and starting high school for the first time. The dinner was a fantastic opportunity to celebrate the students’ achievements with their parents and teachers.
I would like to thank Ms Clare Challenger and Mrs Maree Granger for all of their hard work in the organisation of this event.
Congratulations to Pontus Le Blanc, who was the recipient of the Citizenship Award and to Kimberly Pellosis, who received the Caltex Best All Rounder Award.

Under this scheme each award winner may be eligible to receive up to $3000.00 each year towards the cost of his/her course, as well as support and guidance from mentors and assistance with finding part-time jobs. FOCUS – PART TIME WORK
It can be very difficult for students to enter into the workforce on a part-time level, given the changing patterns of employment where we see more and more companies move to online application processes. Our students find this frustrating as they are then not able to visibly present themselves and feel as ‘in control’ of the application pathway.

Students should all develop a resume and keep this up to date. At a time where our students are receiving end of year awards for achieving academic excellence, or for giving their ‘best always’, the students should be proactive in updating existing resumes so as to guarantee they are keeping their information as current as possible. For resume templates and advice it is highly recommended to turn to websites such as ‘Youth Central’, at www.youthcentral.vic.gov.au or ‘MyFuture’ at www.myfuture.edu.au Both websites assist students in creating the best resume possible.

Once the resume is developed or updated, students can use the following links to seek employment opportunities. They can also become proactive by reading the current job opportunities board that is located on the Senior Campus on the Careers noticeboard near the Senior School Canteen. Year 9 and Year 10 students can refer to the Middle School Coordinators noticeboard for any relevant opportunities. Remember please that you must be 15 years or older to be available for part-time employment. You also need to consider balancing your lifestyle so that your part-time work does not become a burden upon your studies and other family, volunteer, sporting or club commitments.
HIGH RESOLVES PROGRAM
Claire Fowler - Year 10

On 16 August to 18 August, and 17 October to 20 October Year 8 students at Frankston High School undertook a Global Citizenship Program with the High Resolves Initiative.

High Resolves is a not-for-profit, non-religious educational initiative. The program is aimed to help high school students develop direction, capability and confidence to succeed in the 21st century.

Ally, who directed the High Resolves Program set out interactive simulations, role-playing exercises and small group discussions for the students to participate in and opened their minds to issues in the world today that are often unnoticed. Along with Ally, some Year 9, 10 and 11 students were selected as facilitators to help guide Year 8 students through these activities.

The Global Citizenship Program consisted of two major modules which were Collective Identity and Justice. Collective Identity was about recognizing the need to build unity within people from all backgrounds. The Justice module was about knowing that it is possible to create a more ‘just’ society. These activities have encouraged the students to believe that their choices matter and that they can make differences in the world.

Students that showed initiative throughout the programs were selected to put their names down to follow with a two year Global Leadership Program to plan and deliver Action Projects to the wider community. Good Luck to all the Year 8 students that have applied for these positions.

Thank you to Ms Caldwell for organizing High Resolves to come to Frankston High School, and to Ms Bambridge for selecting and organizing the facilitators for the program.

ESL IMMIGRATION MUSEUM EXCURSION
Ms Lu’isa Kaitu’u - ESL Teacher

The Middle School ESL (English as a Second Language) Class went on a fantastic excursion to the city and the Immigration Museum on Tuesday 25 October. They had fun looking through suitcases filled with clothes, maps and other paraphernalia, trying to deduce the who, what, when and why of the various waves of migration to Australia.
The Aerobics Spring Competition was held at the Wyndham Events and Leisure Centre, Werribee on Saturday 15 October.

This year a group of 16 girls have been working really hard as part of the Frankston High School Aerobics Team. They have been training weekly on Mondays and Thursdays to prepare for the School Aerobics Spring Competition. The girls went through tryouts and then formed two teams. The first team consisted of Janey Kinna, Madison Child, Mika Mori, Milly Cox, Hannah Lees, Tia Cant-Gibson, Shona Sbogar, Louise Kelly and Monique Callaghan. The second team consisted of Abbey Sherry, Clara Wibowo, Rebecca White, Dea’nnah Wittmer, Isabella Swanwick, Sophie Weston and Aysha Alkan.

The girls were really excited, looking very impressive, as they all arrived in their costumes, with hair done, for their day of competition. As they practised and added the final touches to their routines and hair, the excitement was building. Both teams were competing in the first section of the session and were a great support for each other. They performed with energy and strength, all their hard work having paid off.

It was a fun day for all the students, teachers and parents who attended and it was great to see the wonderful sportsmanship of our students. Congratulations to all the girls, they did a marvellous job!

Congratulations to the Senior Boys Rowing Team who won their event at The Head of The Goulbourn Race at Nagambie. It was an 8 km event and the boys won by rowing their best time. Well done.

FINANCIAL ASSISTANCE FOR PARENTS/GUARDIANS WITH CHILDREN COMMENCING YEAR 7 IN 2012
Mr Glenn Davey - Finance Officer

SCHOOL START BONUS:
The School Start Bonus (SSB) is provided by the Victorian Government to assist low-income families with the costs associated with their child starting Year 7 at a government or non-government school.

Commencing in 2012, eligibility for the SSB will be based on similar eligibility criteria to the Education Maintenance Allowance (EMA). If you hold a valid Health Care Card, Pension Card, or are a foster parent, and you have a child starting Year 7, you may be eligible to receive this one-off $300.00 payment.

The SSB will be paid by Electronic Funds Transfer (EFT) into your nominated bank account in late January 2012. The SSB is separate, and additional to the Education Maintenance Allowance (EMA).

How to Apply:
Contact the Frankston High School Finance Office to complete a combined EMA/SSB application form and lodge the form with the school for processing.

Key Dates:
Complete and lodge a combined EMA/SSB form at the Frankston High School Finance Office between Monday 12 December 2011 and Wednesday 14 December 2011 only, inclusive.

Education Maintenance Allowance (EMA):
The Education Maintenance Allowance (EMA) is provided by the Victorian Government to low-income families to help with education-related costs.

If you have a child under 16, and hold a valid Health Care Card, Pension Card, or are a foster parent, you may be eligible to receive the EMA. The allowance is split evenly between the parent and the school, and is paid in two instalments, one in March and one in August. The parent portion is often used for uniforms and excursions, while the school portion may be used for expenses such as textbooks, stationery and special programs. You can elect to have the parent portion of the EMA paid into your nominated bank account or receive a cheque.

In 2012, the total annual amount is $235.00 for primary students and $470.00 for secondary students – these amounts are split evenly between the parents/guardians and the school.

If you do not need to complete a combined SSB/EMA form (ie your child is not commencing Year 7 2012), you can complete a standard EMA application form late in 2011 or early in 2012 as per normal (dates to be advised).

Education Tax Refund:
The Education Tax Refund (ETR) is a Commonwealth Government tax refund to help with the cost of educating primary and secondary school children. Eligible parents, carers, legal guardians and independent students can be reimbursed for half the cost of items such as computers, educational software, textbooks and stationery.

You can claim the ETR for education expenses you incur while your child attends primary or secondary school. Families and approved care organisations can claim 50% of their eligible educational expenses if either of the following apply:

- they were entitled to receive family tax benefit (FTB) Part A for the child; or
- a payment was made for the child that stopped them from receiving family tax benefit (FTB) Part A for that child.

For the period 1 July 2010 to 30 June 2011, you can claim up to:

- $794.00 for each eligible child in primary school - that is, a refund of $397.00
- $1,588.00 for each eligible child in secondary school - that is, a refund of $794.00.

If your expenses exceed your refund limit for the year, any excess can go towards your following year's refund claim, as long as you are still eligible.

Logon to the ATO website www.ato.gov.au for more information on the eligibility criteria, the items that can and cannot be claimed, and the process for claiming the

Twilight Working Bee!

Thursday 24 November 4.00 pm - 7.00 pm
Your help is needed please!

On Thursday 24 November the Grounds Committee is holding the twilight working bee from 4.00 pm to 7.00 pm. We are requesting that, if possible, parents, students and staff assist in the completion of a number of grounds and maintenance tasks around the school.

This time has been suggested to allow parents and staff who have commitments on the traditional Sunday morning time to be able to attend.

The evening will be well organised and the donation of your time will not be wasted, as there are a variety of tasks to be completed.

We are quite dependent on our working bees to help maintain our lovely grounds. It is also a good opportunity to meet other members of our school community.

The school has some gardening tools but is always helpful if working bee members can bring their own as well. We will be mulching and planting, as well as generally cleaning up, so wheel barrows, shovels, secateurs and clippers would be particularly useful.

We meet at the Year 7 - 10 Campus Car park.

At the end of the working bee there will be a thank you sausage sizzle provided for all the people who have donated their time to assist in this activity.

Please register on line at www.fhs.vic.edu.au if you are able to attend the working bee. Alternatively telephone the General Office, or email office@fhs.vic.edu.au by Thursday 24 November 2011.

Thanks
Lee Anne Smith
