DEAR PARENTS, STAFF, STUDENTS & FRIENDS

KIMBERLY PELLOSIS: VCE ACHIEVER OF THE YEAR
It was a fantastic honour for myself, Ms Helen Wilson and Ms Maree Granger to attend the VCE Achiever awards with Kimi Pelosi’s very proud parents to celebrate her being awarded a most prestigious VCE achiever award with eight other select students from across the State. Kimi was presented with her award by the Hon Martin Dixon, Minister for Education. Kimi was acknowledged for her work as a passionate leader in raising awareness and gaining commitment of young people to develop sustainable practices to preserve our environment. Such a great commitment to improving her local community whilst coping with the demands of Year 12 is most admirable.

CONGRATULATIONS TO DEAN NELSON AND MARIAM LUTFI – UNIVERSITY OF MELBOURNE KWONG LEE DOW YOUNG SCHOLARS - CLASS OF 2013
It is with great pleasure that I announce that two of our Year 10 students are recipients of the prestigious Kwong Lee Dow Young Scholars Program. Congratulations to Dean Nelson and Mariam Lutfi who will join a select group of students to receive support and special access to the resources of the University of Melbourne.
They were both selected into this program based on their outstanding academic performance and leadership skills.
The Kwong Lee Dow Young Scholars Program is a three year academic enrichment program designed to assist high-achieving students in realising their full potential through creating a network and community of students. Dean and Mariam will have opportunities to participate in an extensive program of events and activities including lectures by leading researchers and seminars with world class teachers.
The program was established in 2007 and is named in honour of eminent scholar, leading educationalist and former Vice-Chancellor of the University of Melbourne, Professor Kwong Lee Dow.
Dean and Mariam are worthy recipients of this award, and I am sure this will be an invaluable journey of learning for them both.

ATHLETICS PROGRAM CELEBRATES SUCCESS AT A NATIONAL LEVEL
Congratulations to our magnificent Director of Sport, Ms Deb Anderson and her team of coaches, Mr Glenn Fischmann, Mr Mal Burt and Ms Chloe Edwards, for training a team of boys and girls from across the school to become Peninsula Athletics Champions in the All State Knockout finals. This team has now been invited to compete at a National level in Brisbane in the next few weeks, predominantly against private schools. What a phenomenal achievement!! We wish them every success!

YEAR 7 BOYS HOCKEY TEAM: STATE CHAMPIONS!
Many thanks to Mr Brett Cook who has been coaching our Year 7 Boys Hockey team with great enthusiasm, resulting in this great team becoming State Champions. We believe this is the first time in the history of Frankston High School for such an achievement. To think we have won state titles over the last few years in Athletics, Cross Country, Football, Cricket, Badminton, Basketball, Netball, Lifesaving, Rowing and now Hockey is a real indication of why we have a reputation as an exemplary sporting school.
CONGRATULATIONS TO TODD ELTON
We are very proud of the fact that Todd Elton (Year 12) who has been recruited to AFL club Richmond in the National Draft. Todd was an outstanding performer for the Dandenong Stingrays in the elite TAC Cup competition in season 2011. He plays as a ruckman and tall forward, and also represented VIC Country in the national championships this year.
Todd was pick 26, which attests to his skill and star footballing qualities. He joins a former student Jake Batchelor at the Richmond Football Club. We look forward to observing Todd’s progress and hope that one year soon Richmond will actually win the grand final!!!!

TWILIGHT WORKING BEE A HUGE SUCCESS
Last week at our Former Staff and Students Association meeting it was mentioned how impressed this committee was with the state of the school grounds. The comments related to how litter-free the grounds were and how they reminded the committee of a private school. This is a tribute to our staff who work with the students on yard duty to keep our grounds litter free and also our wonderful parents, students and staff who attend our working bees. Our most recent working bee was on a beautiful sunny spring evening where we worked together; painting, weeding and planting. Many thanks to Mrs Lee Anne Smith for organising yet another highly successful twilight working bee. When you are visiting the school, take some time to walk around the grounds and enjoy all the improvements. They are looking fantastic at the moment.

EVEN IN THE LAST FEW WEEKS AMAZING LEARNING EXPERIENCES ARE HAPPENING!!
As I am writing, 20 students and three staff are participating in a World Challenge Expedition in Cambodia and Vietnam. These students and their teachers have been working together for 18 months on weekends and after school, to develop their leadership skills in preparation for this exciting adventure. Also a group of staff, Mums and Dads and students are enjoying the Great Victorian Bike ride; an epic 9-day cycling event from Swan Hill to Castlemaine, where they are chanting their mantra: ‘Living the Dream’.
In addition, a group of students and staff are returning from their week at Lorne where they have enjoyed the challenges of the Surf Lifesaving Camp.
Next week the Early Commencement Program begins, providing a head start in learning for all our students as they are promoted into the next year level. This program allows the last few weeks at school to involve meaningful, challenging learning. We are not ‘winding down’ so attendance and punctuality is expected of everyone. I encourage all students to use this time to impress their new teachers by showing them how they will be doing their best throughout the 2012 school year.
This is just a snippet in the life of Frankston High School at any one moment in time. It conveys a sense of the rich tapestry of learning experiences that are on offer for our students. Such opportunities wouldn’t be available if it wasn’t for the dedication of our staff who devote themselves totally to make a difference in the lives of the young people in their care.
I would like to thank all members of our community for their support throughout 2011. I wish everyone a happy safe, relaxing holiday season and look forward to welcoming you back to Frankston High School in 2012.

THANK YOU AND BEST WISHES FOR THE FESTIVE SEASON
As 2011 draws to a close, I would like to take this opportunity to thank all Senior School teachers for their passion, dedication, enthusiasm and sheer hard work in providing each student with every opportunity to achieve their goals. They are always giving of their time and assistance, and I thank them for their outstanding commitment and the excellent teaching and learning they have provided for the students. It is a privilege to work with such dedicated and conscientious teachers.

My sincere appreciation and thanks must go to the Principal of Frankston High School, Mr John Albiston. Frankston High School is an outstanding school, a school where there is a culture of academic excellence, where every student is given every opportunity to maximise their learning outcomes. There is a dynamic learning environment with shared goals, a sense of responsibility for making a difference and a culture of continuous improvement. This would not be possible without John’s support, encouragement and leadership, and I sincerely thank him for his personal support and his outstanding commitment to Frankston High School.

I would also like to thank the Senior School Administration Team for their assistance and the invaluable work they do in supporting our students – Mrs Maree Granger (Senior Sub School Leader/Year 12 Coordinator), Mr Con Neratzoglou (Year 11 Co-ordinator), Mrs Carolyn Walsh (Careers Coordinator and VCAL Coordinator), Ms Clare Challenger (Assistant Year 12 Coordinator), Ms Sarah Toovey (Assistant Year 11 Coordinator), Mr Pat Keane (Senior Resource Centre Coordinator) and Mr Matt Parker (Chaplain). The drive and leadership of these people is what makes the Senior School Campus the school that it is and I thank them most sincerely for their tireless energy in ensuring all students achieve their best.

In addition I would like to thank and acknowledge the work of our educational support staff, in particular, Ms Mindy Fischer (Senior School Office Manager), Mrs Carolyn McIver (Senior Coordination Administrative Assistant), Mrs Dana Lamb (Careers Office Assistant) and Mrs Janene Strange (MIPs and VCAL Assistant).

Finally I would like to thank the parents and the wider Frankston High School Community for your support throughout the year. I wish everyone a safe and happy Christmas and festive season, and I look forward to working with you again in 2012.

MATHS AND CAS CALCULATORS FOR 2012
Mr Andrew Watson – Head of Mathematics

A reminder that all students studying Year 10 Maths in 2012 or any VCE Mathematics (with the exception of Foundation) are required to have a CAS calculator for their studies. Students in Accelerated Maths programs must also have the calculator.

We have negotiated a special price of $185.00 for the newest colour screen model (Ti Nspire CX) through Calculator King. Older versions of the Ti-Nspire are also acceptable and can now be picked up quite cheaply second hand.

If you missed the opportunity to purchase the calculator earlier in the week when they visited the school, Calculator King have assured us you can still obtain this special price by mentioning you are a parent of a student at Frankston High School. They can be contacted on 1800 246 226, or at their shop at 33 Park St, South Melbourne.

The lone figure stands.  
A speck of black,  
Against a large sky of grey.  
It stands there constantly.  
It tries to forget,  
But it can only remember,  
It had once had everything.  
Yet all was lost in a game of chance.  
It returned to this field,  
Where it all started.  
These fields had made dreams,  
And they crushed them.  
The figure lifted up its hand,  
And then it was over.  
In the distance the sun had set,  
And the city was beginning to wake.  
The lights twinkled coldly.  
The city had seen many people.  
All walked in with dreams,  
And all left without them.  

By Jack Taylor:  
Inspired by artwork created by Grace Barr (Year 10)

As she steps through the warm and serine water,  
She whispers softly,  
I have found my freedom.  
She opens the gate to her feelings,  
Releasing all of her inner emotions.  
Her deepest worries now forgotten,  
She is finally at peace.  
The slowly moving boats  
Carry away her stress.  
They are fading.  
They are gone.  
Her name now cries  
Harmony.  

By India Coghlan:  
Inspired by Shizuka Tateisha’s (Year 11) painting

I watch the sea as the days go by,  
Waiting for the perfect girl to say “Hi”.  
But why would a perfect girl be interested in me?  
When I’m sitting here,  
So lonely;  
I sit here with the darkest gloom,  
Watching others in love,  
Their bloom.  
The forecast was for sunny skies  
So why do I hear only winter lullabies?  

By Karina Strange:  
Inspired by artwork created by Ema Placko (Year 9)

A vivid red rose in a beige helmet skull.  
A woman who does not want to null the pain  
The pleasure, the highs, the lows;  
She says “yes” when most say “no”,  
And although it looks as if she does not care,  
Her soul, her life - it’s still there.  
She made choices we all must make,  
We decide how many rules we break.  

By Vessela Karadjova:  
Inspired by Jessie MacDonell’s (Year 11) painting

The night falls over the sun’s last rays.  
Darkness closes the gap between night and day.  
Sun and moon,  
Disappearing beyond the horizon,  
To light another day.  

By Kiera Mahony:  
Inspired by a piece created by Jackson Drew (Year 12)

In the mass of destruction  
The whole universe shakes.  
The doctor is no more.  
Many a day goes by  
When there is nothing.  
The explosion caused the universe to shudder,  
The blinding light taking all.  
It ripped apart the boundaries  
Of space and time.  
The doctor cannot save us this time.  
It is already too late!  
The time for our destruction  
The end of time itself.  

By Casey Crouch:  
Inspired by artwork created by Tara May (Year 11)

It is only balance that gets us through.  
It is only the yin of the bad,  
And the yang of the good,  
That balances our world.  
We don't live on ice.  
We don't live on the sun.  
We live on Earth,  
Complete with balance.  
I need it – you need it.  
Balance.  

By Caitlin Little:  
Inspired by artwork created by Cye Casson (Year 10)

I looked into your dark blue eyes,  
Deep enough to see the crystal clear blue sea.  
The waves lifted,  
The sky turned into a storm.  
Dark clouds on top of the dark blue sea,  
The horrible memories,  
The feeling of drowning,  
I came back to reality.  

By Alannah Nowak:  
Inspired by artwork by Nikola Guzys-Mcauliffe (Year 9)

They bloom,  
So beautiful and bright  
Bursting with happiness  
They couldn't get any more vibrant  
They wither  
All alone  
Everything aching  
She cannot contain the darkness in her heart  
Her soul dies.

Sasha-Monique Day (Year 12)
A group of Young Student Leaders, along with Miss Jessica Rasdell and myself, were lucky enough to attend the annual National Young Leaders Day held at the Melbourne Exhibition Centre on Monday 21 November. This is an inspiring day organised by the Halogen Foundation with the aim of reaching the next generation of potential young leaders. Some 1500 students from public and private schools attended and from as far as Echuca, Bairnsdale and even Tasmania!

The range of speakers was extraordinary, demonstrating abilities from a diverse field:
- Mike Martin - CEO of the Halogen Foundation
- Rachel Lowry from Melbourne Zoo
- Simon McKeon - Australian of the Year 2011
- Matt Preston - “MasterChef” Food Critic
- Kelly Cartwright - Para-Olympian
- Ben Flynn - a young 13 year old entrepreneur
For me personally a highlight was the appearance of Ben Flynn. Ben runs a dog walking group and puts the proceeds towards sponsoring, not one, but four World Vision children! He has also set up a tuition centre for under privileged people in India. He was truly inspirational!

Congratulations to the following students who attended: Will Burnham, Bunarith Thomas-Sam, Emily Hutcheon, Thomas Walsh, Hailee Eade (Year 10); Jordan Hay, James Savage, Finley Angus, Ayesha van den Brink, Nikola Guzys-Mcauliffe, Kira Hunn, Evelyn Ogier (Year 9); Vessela Karadjova, Casey Crouch, Zoe Crouch, Nelson Fuller, Richard Thomson (Year 8)

The students were a great group to take out and were a credit to the school in the way they behaved and conducted themselves.

ENTHUSIASTIC SLC MEMBERS ORGANISING EVENTS

FINANCIAL ASSISTANCE FOR PARENTS/GUARDIANS WITH CHILDREN COMMENCING YEAR 7 IN 2012
Mr Glenn Davey - Finance Officer

SCHOOL START BONUS:
The School Start Bonus (SSB) is provided by the Victorian Government to assist low-income families with the costs associated with their child starting Year 7 at a government or non-government school.

Commencing in 2012, eligibility for the SSB will be based on similar eligibility criteria to the Education Maintenance Allowance (EMA). If you hold a valid Health Care Card, Pension Card, or are a foster parent, and you have a child starting Year 7, you may be eligible to receive this one-off $300.00 payment.

The SSB will be paid by Electronic Funds Transfer (EFT) into your nominated bank account in late January 2012. The SSB is separate, and additional to the Education Maintenance Allowance (EMA).

How to Apply:
Contact the Frankston High School Finance Office to complete a combined EMA/SSB application form and lodge the form with the school for processing.

Key Dates:
Complete and lodge a combined EMA/SSB form at the Frankston High School Finance Office between Monday 12 December 2011 and Wednesday 14 December 2011 only, inclusive.

Education Maintenance Allowance (EMA):
The Education Maintenance Allowance (EMA) is provided by the Victorian Government to low-income families to help with education-related costs.

If you have a child under 16, and hold a valid Health Care Card, Pension Card, or are a foster parent, you may be eligible to receive the EMA. The allowance is split evenly between the parent and the school, and is paid in two instalments, one in March and one in August.

The parent portion is often used for uniforms and excursions, while the school portion may be used for expenses such as textbooks, stationery and special programs. You can elect to have the parent portion of the EMA paid into your nominated bank account or receive a cheque.

In 2012, the total annual amount is $235.00 for primary students and $470.00 for secondary students – these amounts are split evenly between the parents/guardians and the school.

If you do not need to complete a combined SSB/EMA form (ie your child is not commencing Year 7 2012), you can complete a standard EMA application form late in 2011 or early in 2012 as per normal (dates to be advised).

EDUCATION TAX REFUND:
The Education Tax Refund (ETR) is a Commonwealth Government tax refund to help with the cost of educating primary and secondary school children. Eligible parents, carers, legal guardians and independent students can be reimbursed for half the cost of items such as computers, educational software, textbooks and stationery. You can claim the ETR for education expenses you incur while your child attends primary or secondary school. Families and approved care organisations can claim 50% of their eligible educational expenses if either of the following apply:

- they were entitled to receive family tax benefit (FTB) Part A for the child; or
- a payment was made for the child that stopped them from receiving family tax benefit (FTB) Part A for that child.

For the period 1 July 2010 to 30 June 2011, you can claim up to:

- $794.00 for each eligible child in primary school - that is, a refund of $397.00
- $1,588.00 for each eligible child in secondary school - that is, a refund of $794.00.

If your expenses exceed your refund limit for the year, any excess can go towards your following year’s refund claim, as long as you are still eligible.

Logon to the ATO website www.ato.gov.au for more information on the eligibility criteria, the items that can and cannot be claimed, and the process for claiming the refund in your income tax return.

**Fit Tip!**

**Benefits of Strength Training**

Every person who does not strength train is losing about 0.5kgs of muscle per year after the age of 20.

Every pound of muscle burns off between 50-100 calories/day and burns approximately 2kgs of fat per year.

This means if you don’t strength train you will automatically put on 2kgs of fat every year.

Your weight may stay the same but your body will take up more space.

Fat is much softer, bigger and lumpier than muscle.

Ask at the Finance Office about our special Frankston High School membership 1 month for just $15.00 for students, teachers, family and friends

*Conditions apply for the use of the weight room*
