POLICIES AND PROCEDURES

PURPOSE

To explain to our school community the Department's and Frankston High School's policy requirements and expectations relating to students using mobile phones during school hours.

SCOPE

This policy applies to:

- All students at Frankston High School and,
- Students' personal mobile phones brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.

POLICY

Frankston High School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Frankston High School

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

PERSONAL MOBILE PHONE USE

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Frankston High School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone under the supervision of a year level leader or principal team member.

SECURE STORAGE

Mobile phones owned by students at Frankston High School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Frankston High School does not have accident insurance for accidental property damage or

theft and will not be held responsible for loss and/or damage (see DET *Personal Goods Policy*) <https://www.education.vic.gov.au/school/principals/spag/governance/pages/personalgoods.aspx>. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items.

Where students bring a mobile phone to school, Frankston High School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Frankston High School students are required to store their phones in their lockers.

ENFORCEMENT

Students who use their personal mobile phones inappropriately at Frankston High School may be issued with consequences consistent with our school's existing *Student Wellbeing and Engagement Policy*.
