You can make an additional general contribution that goes towards all of our school's important priorities for 2023 as well as providing additional activities and services for all students. Alternatively, you can make a voluntary contribution to any of the specific priorities outlined on the following page.

School Council has established tax deductible gift recipient status with the Australian Taxation Office (ATO) for the Building Fund and Library Fund.

The tax deductible donations have previously been suggested at \$50 per fund. To further ensure your donation meets the ATO definition of a tax deductible donation, Frankston High School is inviting parents to nominate the amount they wish to donate.

Your child will not be disadvantaged if you do not make a voluntary contribution. All records of voluntary contributions are kept confidential as well as your decision about whether to make a contribution or not.
